## Bennett Gets 25-50 Years for Murder

### Judge Lewis Condemns Life of Vice; Terms Slaying Assassination

Wilfred C. Bennett, 29, of Granite City, a St. Louis taxi driver, was sentenced to a term of 25 to 50 years in the Illinois state penitentiary Friday after being convicted of the fatal shooting of Frank Lafata, 38, former St. Louis county taxi cab driver, last Sept. 16 in a field off West Ponton road north of the A. O. Smith Corp. plant.

A non-jury hearing was conducted from Tuesday through Thursday afternoon, with evidence presented by State's Attorney Joseph Bartylak and Defense Attorney Robert Rice of East St. Louis.

Before passing sentence, Judge Lewis was critical of Bennett's action in the killing, which he referred to as an "assassination," and of his former mode of life as a procurer.

### Admitted Law Violations

"The defendant was engaged in about as low a business as anyone can be by his own admission," the judge said. "He admitted he was guilty of federal and state laws regarding prostitution."

Bennett told of his activities freely in testimony during the hearing but denied committing the murder. He claimed that neither procurer nor Lafata was saying one of the tell witnesses was the murderer.

The victim was referred to as Lafata, having been involved in phases of illegal activity.

Judge Lewis said, "This is not a court of sympathy. I think everyone is sympathetic with anyone having to go to prison. On the other hand, there is the question of justice."

"This amounts to an assassination. The victim had no reason to expect that he would be assassinated."

"This is not a killing of passion or a killing of rage. This is a cold, calculated killing. This killing occurred without any heated passion or violent emotion."

Testimony indicated there was a conflict among taxi drivers over the earnings of prostitutes.

No mitigation. M. S. Kaplan Co. is one of the largest scrap iron and steel brokerage firms in the mid-western states area, doing business with major steel mills throughout the United States. The company also operates many large scrap processing plants in the Chicago area.

The Press-Record disclosed last week that the plant would be built. It will employ about 20 persons.

Scrap iron is one of the ingredients for the steel industry. Landau said today that the cost of the plant, rather than being the \$1,400,000 figure initially rumored, will be closer to \$750,000. He said the site is near the Nickel Plate Railroad yards and Route 203.

Mr. and Mrs. Harmon Presswood, 2435 Hemlock avenue, July 9, Mary Ellen, five pounds, 10 ounces.

Mr. and Mrs. Richard Patrick, 4016 Lake drive, July 11, Kimberly Ann, seven pounds, 20 ounces.

Mr. and Mrs. Luther Smith, 2497 Washington avenue, July 11, Lana Rae, six pounds, 13 ounces.

Mr. and Mrs. William Switzer, 3008 Madison avenue, July 11, Lynn Marie, eight pounds, one ounce.

Mr. and Mrs. Raymond Knight, Collinsville, July 11, Kathryn Renee, six pounds, 11 ounces.

Mr. and Mrs. Vernon Lane, 1813 Ferguson avenue, July 11, seven pounds, eight ounces.

Mr. and Mrs. Jerry Hopkins, 2201 Nameok road, July 12, six pounds, 14 ounces.

Mr. and Mrs. John Young, 1310 Washington avenue, Madison, July 12, four pounds, 15 ounces.

## Ample Petitions To Obtain Nameoki Twp. Sewer Work

(Picture on Page 19)

An election apparently will be held in Nameoki township on the town board's sanitary sewer proposal, if township officials accept as valid petitions which were presented Saturday morning.

A group of citizens who had assisted in circulating referendum request petitions appeared at the town hall with a stack of petitions believed to include the signatures of 1663 registered voters.

Additional petitions also have been in circulation and may raise the signatures to more than 1700, well over the estimated 900 needed to assure an election.

### Board Meeting Tonight

The town board, which will meet at 7 o'clock tonight, adopted a \$1,900,000 sewer bond issue ordinance three weeks ago and had it published June 24. Following publication, such an ordinance becomes effective unless 30% of the voters sign election petitions within 20 days. The 20th day would be this Wednesday.

The petitions merely ask for an election and do not specify the signers' sentiment on the bond proposal. However, many of them oppose the plan as currently drawn up, due to the lack of competitive bond sale bidding and other factors.

Township officials have defended the program as meeting a need, and announced Saturday that competition would lower the cost. They are the judge of the adequacy or inadequacy of the petitions. They also could determine the election date.

## Plant on 25-Acre Site Will Process Scrap Rail Cars

The new M. S. Kaplan Co. plant, being established in the Quad-Cities will occupy 25 acres, and announced Saturday by Bernard Landau, vice-president.

Its main function will be the collection of old freight cars from all of the various railroads in the Chicago area, and the processing of them into scrap metal.

He related that the Chicago firm is improving a 25-acre site in Madison county, near the intersection of the Chicago & Northwestern Railroad switching yards and the Norfolk Western piggery-back service yards in Madison county.

"It will be in close proximity to the Granite City Steel Co. new furnace expansion," he said, "and the Laclede Steel Co. rolling mill plant."

Mr. M. S. Kaplan Co. is one of the largest scrap iron and steel brokerage firms in the mid-western states area, doing business with major steel mills throughout the United States. The company also operates many large scrap processing plants in the Chicago area.

The Press-Record disclosed last week that the plant would be built. It will employ about 20 persons.

Scrap iron is one of the ingredients for the steel industry. Landau said today that the cost of the plant, rather than being the \$1,400,000 figure initially rumored, will be closer to \$750,000. He said the site is near the Nickel Plate Railroad yards and Route 203.

Mr. and Mrs. William Switzer, 3008 Madison avenue, July 11, Lynn Marie, eight pounds, one ounce.

Mr. and Mrs. Raymond Knight, Collinsville, July 11, Kathryn Renee, six pounds, 11 ounces.

Mr. and Mrs. Vernon Lane, 1813 Ferguson avenue, July 11, seven pounds, eight ounces.

Mr. and Mrs. Jerry Hopkins, 2201 Nameok road, July 12, six pounds, 14 ounces.

Mr. and Mrs. John Young, 1310 Washington avenue, Madison, July 12, four pounds, 15 ounces.

Mr. and Mrs. William Fedorchak, Jr., 2723 Harvey Place, July 12, seven pounds, 11 ounces.

Mr. and Mrs. John Downs, 2932 West 20th street, July 9, Keith Bryan, six pounds, five ounces.

Mr. and Mrs. Charles H. Roisinger, Worden, Ill., July 10, Charles Hudson, Jr., 2101 S. Main, St. Louis, Mo., July 10, seven pounds, 11 ounces.

Mr. and Mrs. George Bell, Army Depot, July 10, Bruce Austin, nine pounds, 10 ounces.

Mr. and Mrs. John Kerper, Maryville, July 12, eight pounds, seven ounces.

Mr. and Mrs. James Barker, 1618 Spring avenue, July 12, seven pounds, nine ounces.

Mr. and Mrs. Larry Crutina, 2844 Edgewood drive, July 12, seven pounds, 11 ounces.

## Interim Highway Agency Planned

Municipalities to be Asked for Agreements On Area-wide Approach

An executive committee was appointed Thursday to complete a study of the area-wide approach to highway planning and transportation planning and to seek agreements from an estimated 200 municipalities and counties in the Illinois-Missouri metropolitan area.

Plans made of a meeting of the East-West Gateway Coordinating Committee to serve as an interim agency while an official highway planning entity is being formed. Activation of the temporary and permanent bodies will enable federal highway funds to continue to be received for road construction in this region.

The Federal Highway Act of 1962 requires, after July 1, 1965, a continuous comprehensive planning process in any urban area of 50,000 or more population.

With fragmentation barred, some type of planning agency with jurisdiction in the entire two-state St. Louis area, including Madison county, has been described as essential. All of those speaking at Thursday's session, held in the St. Louis mayor's office, supported the plan currently being implemented.

Eight-Member Committee. C. E. Townsend, Press-Record editor-publisher and acting chairman of the East-West Gateway Coordinating Committee, pointed the following eight members of the executive committee: Earl Landoli, Alhambra, Madison county board chairman; Francis J. Foley, East St. Louis; Mel Stoenepfer, St. Louis; Barney Metz, mayor of Dupu and president of the Southwest Illinois Council of Mayors; Alvin C. Fields, mayor of East St. Louis; A. J. Cervantes, mayor of Granite City.

## Meeting Wednesday on Union Starch Strike

Representatives of striking Oil, Chemical and Atomic Workers Local 7003 and the Union Starch and Refining Co., are scheduled to meet at 10 a.m. Wednesday in an effort to break a deadlock on issues that caused the current strike of 410 members.

The meeting, arranged by the U. S. Mediation Service, is to be held at the Granite City Army Depot. The strike went into its eighth day today.

Members of the union voted July 1 to call a strike after turning down a company proposal on three issues that have been in negotiation. The union has been working under a contract signed Aug. 24, 1964, in which the three issues were left open to further negotiation.

The meeting and craft reorganization of the company. No meetings were held during the weekend. Thomas Austin, president of the union, said this morning that Wednesday's meeting will be a regular negotiating session to reconsider the points at issue.

## Acid Thrown in Face of GC Youth by Unknown Assailant

Acid thrown in the face of Larry Curry, 17, of 4740 Nameoki road in the driveway of his home at 11 p.m. Saturday, may have impaired his eyesight. A deep-voiced assailant is being sought.

Treated initially at St. Elizabeth Hospital, he was transferred early Sunday to McMillan Hospital, St. Louis, where treatment is continuing. He may be released today, after which additional eye tests are planned.

He has no known enemies but found a threatening note as he entered his home to drive home after visiting a boy's baseball game at Wilson Park Saturday evening. It said, "You will get it."

Upon reaching home later after going out to eat, he left the auto and was attacked immediately by someone who emerged from the bushes. A drinking glass containing liquid acid was thrown at his face and then broke as it struck the pavement.

Aided by Neighbor. "I heard the glass break and then heard him call for help," Mrs. Vernon Sackett, 4741 Nameoki road, related to the Press-Record. She said Curry was suffering intense pain and summoned help.

The assailant, who was not seen by either of them, escaped by running through the back of the lot, Mrs. Sackett said. She located the glass, still containing the liquid, and saved it for authorities, who determined that it was acid. Exact type has not been announced.

An investigation is being made by the sheriff's staff.

## Youth, 18, Shot in Legs, Father Fined

Ray Edward Dowdy, 18, of 2817 Pershing avenue, was admitted to St. Elizabeth Hospital at 4:45 p.m. Thursday with a gunshot wound through the left thigh. The bullet lodged in the right thigh.

His father, John Edward Dowdy, 49, of the same address, was charged with discharging a firearm in violation of the city limits. He was arrested at the home after police received a report of family trouble there. The dispute allegedly related to a card game.

Appearing at a magistrate's hearing here Friday morning, the father was fined \$10 and \$5 court costs and was released.

## Rev. Monk Assigned

Rev. Vincent Priest of Granite City, who recently was ordained as a Catholic priest, has been assigned as assistant pastor of St. Agnes Church, Springfield, by the Most Rev. William A. O'Connor, bishop of Springfield. He celebrated the 11 o'clock Mass yesterday at St. Joseph's Church here, his home parish.

## Booms Likely This Week

The Air Force said Friday that supersonic flights by B-58 bombers may cause sonic booms in this area about 7:30 p.m. today through Friday. The planes will begin accelerating near Winterest, Ill., at 7:15 and return to sub-sonic speeds over Christopher, Ill., at 7:35.

## Decision Due on School Finances

Construction Funds, 1965-66 Budget to be Studied by GC Board

Financial matters will occupy the Granite City school board during much of its meeting of 7:30 tonight. A decision is to be made on an addition to Granite City high school, and a discussion will be held on the 1965-66 budget of the district.

The addition involves a monetary decision because bids exceeded allocated funds and it is uncertain whether to proceed or seek a supplemental bond issue.

Although there have been no positive steps toward calling a supplemental bond election, the possibility has been discussed because each of the units of the May 1964 construction program has cost more than was provided.

The last of the projects, a new junior high school, seems sure to be no exception to the trend.

Effect of Building Estimates. Initial school estimates are regarded as having been unrealistically low. In addition, the current area-wide construction survey has drawn away many of the experienced crews, prompting the school board to be more cautious in figuring their probable costs.

Another factor is the mandatory remodeling program to comply with a new state fire safety code.

Funds will have to be provided in 1965-66 and the following year for extensive surveys of 12 of the 19 buildings—Granite City high school, Central junior high, and two elementary schools.

(Continued on page 14, col. 7.)

## Partney Member Of Group Seeking Medical College

A steering committee to study the possibilities of locating a new medical school in downstate Illinois has been formed and is moving ahead with plans to organize a general committee of interested citizens to develop the project further, it was announced today.

Mayor Donald Partney of Granite City has been appointed to the steering group.

The committee, consisting of three representatives each from Madison and St. Clair counties, has named Robert Jennings, Belleville attorney and assistant city attorney of Belleville, as its temporary chairman.

In addition to Jennings, who has a legal background, the steering committee consists of persons from different professional fields in the two counties. Serving on the committee besides Mayor Partney are Arvid Pickering, Wood River labor leader; Mel Stoenepfer, president of the East St. Louis Chamber of Commerce; and Kenneth Kamper, Belleville, former president of the St. Clair County Farm Bureau. The sixth member will be announced at a later date.

The committee plans to meet this Friday to elect additional officers and to select representatives (as prospective members) to be suggested to Governor Kern's advisory committee to the State Board of Higher Education.

The steering committee also will select at that time persons from both Madison and St. Clair counties to serve on a general committee to promote the location of the school in downstate Illinois.

## Automation May Turn Insurance Red Ink to Black

(Seventh of a Series)

In some of the previous articles in this series on Quad-City and national property insurance trends, reference has been made to the fact that processing of small claims often costs as much or more than the loss payments themselves.

Other than eliminating such coverage entirely, the only practical solution seems to be finding some way of reducing processing costs. "Automation" is reducing increasing study as a possible answer.

An example is a claim submitted by a policyholder with full coverage on his home. Even though his broken window pane involved only a 59-cent expenditure, the insurance company might encounter \$8 or \$10 in adjusting and bookkeeping costs.

"Automation is a topic" which seems to send chills through the ranks of insurance producers. It is one which, in the long run, I think will prove to be a boon instead of a bogy."

This is the opinion of C. E. Magnusson, Minnesota state insurance commissioner and president of the National Association of Insurance Commissioners. He explains:

"Picture a machine which can scan an insurance application, compare it with underwriting standards, calculate the proper premium, write the policy, produce the necessary statistical and accounting forms including invoices—and then scan the data for future reference."

"Compare this with the horse-and-buggy method of taking each step by hand. It requires no cost accounting to perceive the savings in machine operation."

"A large agency company has verified that under the old operation, its expense for issuing, processing and maintaining an automobile policy averages \$14, even for those returned for cancellation with little or no earned premium."

"Does this method justify itself when better means are at hand?"

Loss of Personal Contact. "Resistance to automation, to continuous policies and to direct billing by the company stems, I believe, from the fear of the insurance producers that they will lose their jobs."

(Continued on page 14, col. 5.)

## Nameok Road Project Bid Call Set for August

Faster Method Found For State to Acquire Needed Right-of-Way

A condemnation procedure that will speed up disposition of right-of-way cases involved in the Nameoki road improvement project and clear the way for the Illinois Highway Division to call for bids in August has been instituted by Horace Calvo, assistant state attorney general, Granite City, who has been assigned to handle the condemnation litigation.

Condemnation petitions for 18 tracts of land still needed for the Nameoki widening and paving job already have been completed and forwarded to Springfield where they must be approved and signed by Gov. Otto Kerner. Attorney General William Clark and the director of the Department of Public Works and Buildings, Calvo said his office is expediting return of the approved petitions at any time.

As soon as the petitions are approved, the office will approach state officials, Calvo explained, the condemnation procedure is being expedited in circuit court along with a "motion for immediate vesting," a legal term for a request for immediate hearing by which the court can hear the facts in the case by motion, rather than by trial. The court then can determine the costs in each condemnation case.

Must Deposit Funds. "Once the costs for the required parcels are fixed by a court ruling, the attorney said, the state is required to post the total cost. When this is done, the way is clear for the state highway department to proceed with the condemnation of the land and letting of contracts for the projects, Calvo explained.

Further disposition of the cases by hearing, or further presentation of evidence, may then be accepted by a later date. Under the law, however, the highway department will be free to proceed since payment for the property has been tentatively predetermined and guaranteed by the deposit of the amount fixed by the court.

Calvo said that he originally had hoped to hit a target date of Aug. 1 in completion of the cases to the point that the highway department could call for construction bids.

However, information and data on the parcels involved were not received by him until late last week, and the time for the preparation of the petitions and the approval of state officials, in addition to the fact that about 30 days will be required for the state to certify the money that needs to be posted, probably will extend the date into the middle or latter part of August.

Bidding Speeded Up. "The date still is considerably earlier than had been anticipated under other procedure which, in most condemnation cases, would have required 50 to 60 days under the state's 'quick-claim' authority, and might have taken

(Continued on page 13, col. 3.)

## Chouteau Twp. Load Limit to be Enforced

Madison county Sheriff Barney Fraumond announced today that a 12-ton load limit will be enforced on blacktop roads in Chouteau township.

He said overweight truck violations have occurred on a road off Interstate 270 near Maryville road going to Morrison lane. A three-block section of the road is posted with load limit signs.

## 21 DAYS WITHOUT QUAD-CITY TRAFFIC DEATH

The date still is considerably earlier than had been anticipated under other procedure which, in most condemnation cases, would have required 50 to 60 days under the state's 'quick-claim' authority, and might have taken

## Man Arrested on Charge Of Passing Stolen Check

U. S. Grant Thompson, 46, Hazenwood, Mo., was arrested at the Baltimore-Reese drug store here 9:35 p.m. Thursday on a charge of attempting to pass a stolen check.

The store reported at 8:30 p.m. Thursday that a bank had returned as stolen a check the store had cashed at 2:15 p.m. It was made payable to Jack B. Edwards and was drawn on the Northwestern Bank & Trust Co. of St. Louis. Thompson was turned over to a Springfield, Ill., marshal Saturday morning for federal prosecution.

## 9 Undergo Surgery at Granite City Hospital

The following are recovering at St. Elizabeth Hospital from surgery which they underwent since Thursday:

Joan Presswood, 2435 Hemlock avenue, Calvin Elinor, 1948 Joy avenue; Cordelia Collins, 1909 Grand avenue; James Goodman, 2165 Robert avenue; Merwyn Sher, St. Louis; Paul J. Ball, Jr., 2103 Benton street; Shirley Elders, 1723 Elizabeth street; Melvin S. Palmer, 1723 Elizabeth street; and Jean Schaefer, 200 Hampden street, Venice.

NEW MADISON STREET SWEEPER is being placed in use today. Pictured (left to right) this morning are Elmer Smith of the street department; Ed Miller, mechanic and demonstrator for the O. B. Avery Co., sales representative

of the Wayne Co.; Madison Street Supt. Stanley Lucas; and Paul Besserman of the street department. Smith and Besserman will serve as operators of the sweeper.

## St. Louis Industrial Group Names Officers

Nicholas P. Veeder, chairman of the board and president of the Granite City Steel Co., was elected chairman of the board of the St. Louis Regional Industrial Development Corp. Thursday afternoon in a meeting that included announcement that the organization will establish an office with a full-time staff about Sept. 1.

Other officers of the agency also were elected in the meeting at the Missouri Athletic Club. The agency will cooperate with the St. Louis Research Council and the Chamber of Commerce of Metropolitan St. Louis to promote industrial development in the area.

Veeder told the group that about half of the \$225,000 budgeted for the first year of operation has already been pledged. As chairman of the RIDC board, Veeder is a member of the 15-man board of directors, which also includes William Hoelscher, manager of the Tri-Cities Manufacturers Association and John Krause, who is chairman of the Southwestern Illinois Metropolitan Area Planning Commission. Other directors include W. M. Aklin, president of Laclede Steel Co., and Francis M. Kaar, executive director of the Greater Alton Association of Commerce.

## GC Resident 50 Years, Mrs. Barnett, 85, Dies

Mrs. Mary E. Barnett, a Granite City resident 50 years passed away at the age of 85 at 8:30 p.m. Friday at Lakeview Nursing Home, Carlinville, Ill., where she had resided two months. She had been in failing health for five years.

She resided at 2500 Grand avenue with a daughter, Mrs. Vivian Cherry, and was active in the First Assembly of God Church. She was a native of Darke county, O.

Mrs. Barnett was preceded in death by her husband, Jeremiah, six years ago. Besides Mrs. Cherry, she is survived by one daughter, Mrs. Lella Hall, Edwardsville, a son, Leonard, Surratt, Granite City, four grandchildren and 16 great-grandchildren.

Funeral services were held at 1 p.m. today at the First Assembly, with burial at Sunset Hill Cemetery. An obituary notice is given elsewhere in this issue.

**EIGHT-PINT DONOR** Col. Charles B. Schweizer (left), commanding officer, Granite City Army Depot, looks on as Miss Beth Sprague, director of recruitment for the Missouri-Illinois Red Cross Blood Program, presents a certificate of appreciation to the Depot for the successful participation in the program. Accepting the award on behalf of the Depot are the top three donors (left to right), Sid Stroehede, 44 pints; Steve Bulle, 43 pints; and Sgt. Maj. Donald Fields, 40 pints.

## 4 Youths Captured in High-Speed Chase Today

Three juveniles and a 20-year-old youth, all from St. Louis, were arrested in Venice early today after a high-speed chase through the city by an officer who had attempted to stop them for questioning as powder suspects.

The older youth, William Sedona, 20, and the other three, giving ages of 15, 16 and 17, were held at the Venice jail this morning on charges of curfew violation. In addition, the 16-year-old youth, driver of the car in which the boys attempted to elude the squad car, was charged with careless driving and driving without a license.

Police said a Venice resident reported two prowlers at 12:55 a.m. but that no one was found when officers investigated. Half an hour later, the officer sighted four people at Robin street and Broadway. They drove off at high speed when he attempted to stop them, and he gave chase down Robin, Brown and Oriole streets, Broadway and then Klein street into West Madison, where he overtook them at Second and Jackson streets.

The Venice man who had reported the prowlers identified two of the youths as those he had seen at the rear of his mother's home. Police also are investigating ownership of the car, the license of which was issued to a St. Louis man.

## Volunteers Organize As Friends of Museum

Formation of an organization of volunteers for the Madison County Historical Museum in the form of guide work, clerical help, cataloging, special exhibits and projects, and help in fund raising. It was formed at the request of the board of directors of the Madison County Historical Society, which operates the museum at 715 N. Main street, Edwardsville.

Mrs. Kohl Secretary

Executive board members of the friends were announced as Mrs. Charles Kohl, Granite City; Mrs. Charles Kohl, Granite City; Mrs. Karl Hoagland, Alton; Mrs. J. J. McCanna, Collinsville; Mrs. Charles Tuxhorn, Mrs. Frank Godfrey and Mrs. Stephen R. Simon, Jr., Edwardsville; and Mrs. Mittleman and Mrs. Delicate.

It is hoped to have a committee composed of men with special interests and abilities who can assist the museum in areas where women are not as active. Enrollment in the friends membership is now 68. Delicate said, and more are needed. Anyone interested in volunteer work for the museum may contact any member of the executive board or the museum staff.

The museum has had 5482 visitors since moving to its current location, the Weir home, eight months ago. There has been a county museum 40 years.

## Ask Supreme Court To Reconsider Rail Line Tax Decision

The Illinois Supreme Court was asked Friday to review its decision in the Madison county railroad tax cases which would refund approximately \$2,000,000 in tax monies to 12 rail lines.

A petition for rehearing of the tax assessment cases in which the Supreme Court reversed a decision of Circuit Judge James O. Monroe was filed with the higher court Friday by State Attorney Joseph Bartylak and Burton C. Bernard, special assistant state attorney in charge of the railroad tax cases.

The petition contained several allegations where the state's attorney and tax collector's office believe the Supreme Court ruling of June 24 erred and asks the court to reconsider its decision. The petition was filed in behalf of George Musso as county tax collector.

Bernard said that unless the Supreme Court reconsiders, the county could lose most or all of the \$2,000,000 placed in escrow by the railroads covering six years of tax objections based on assessments. The railroads, in the two years the cases have been fought through the courts, have alleged discrimination in that they have been assessed at 100% of full cash value while other railroads and real estate property has been assessed on a ratio of approximately 55%.

About 70% of the total sum involved is tax monies of Madison county school districts.

The county, in event the Supreme Court refuses to rehear the cases, has the alternative of appealing the decision directly to the U. S. Supreme Court.

## Sectional Trolley in Bridge to Open Friday

Belleville again will be the host city for the Southern Illinois-Paducah unit of the American Contract Bridge League. The unit will hold a sectional bridge tournament at Augustine's Friday through Sunday, July 16-18, with Quad-Cityans participating. Mel Ballard of Belleville and Eldon Durr of Edwardsville, this year's chairmen, expect over 1500 entries.

First event will be the mixed pairs at 8 p.m. Friday. There will be a special pair game the same evening.

Saturday's schedule calls for the qualifying round of the open pairs to begin at 1:30 p.m. At 8 p.m. the finals will be played. There will be a consolation game then for those not qualifying for the finals.

On Sunday at 1 p.m. there will be a women's pair and men's pair. The tournament will close Sunday evening with the team of four event at 7 o'clock.

Prizes and trophies will be awarded as well as master points for persons placing in the events.

## Eight Radar Speeding Arrests in GC Saturday

Granite City police operated radar speed detection at five locations Saturday afternoon and evening, arresting eight motorists for speeding. Each is to appear for a hearing July 22.

Those arrested were Helen Bass, 2028 Washington avenue; James Stephens, Fairmont City; Norman Fulmer, 3005 East 23rd street; Conrad Bauer, 2914 Idaho avenue; Marvin Kaufman, Route Two, Alhambra; Earl Carney, Collinsville; Leroy Bell, 3823 N. meadow road; and Steve Diak, 1118 Iowa street.

**Surgery Patient**  
Mrs. R. W. (Valerie) Stevens, 3805 Franklin avenue, entered Barnes Hospital, St. Louis, today as a surgery patient.

#### MORE ABOUT

### Interim Hi-way

(Continued from Page 1.)

of St. Louis; Lawrence K. Reos, Clayton, St. Louis county; and Paul T. Koenig, Crestwood, president of the St. Louis County League of Municipalities; and Clem A. Buerger, St. Charles, presiding judge of St. Charles county.

The executive group will work toward setting up the permanent organization eventually if U. S. highway financing is to continue. It will be guided by a prospectus presented Thursday, but also will be empowered to amend it as needed.

The prospectus was submitted by Alan M. Voorhees & Associates, consultants. Cervantes Fields, Koenig and James Kraus served on the prospectus committee.

#### Interim Authority

A revision planned to meet federal requirements fixes responsibility in the East-West Committee as interim agency.

It would operate as a temporary third party with the two states and handle data collection, regional forecasting, model building, accounting, supply purchasing and personnel and coordination and execution of the work program.

Subsequent phases of highway work hinge on establishment of an official agency, the latter requires legislative sanction. This could consist of the coordinating committee itself, or a council of governments composed of locally-elected public officials. It would have to be created within about two years.

The permanent commission or council would coordinate local efforts and handle data collection for the control of air pollution.

Bulk of the work would be carried out by the staffs of various participating agencies, such as the state highway agencies and the planning bodies located within the region.

The council also would have a staff, including a manager and two associates—one for planning and one for transportation matters. A technical committee would aid in evaluating plans and priorities.

**Five-Cent Per Capita Cost**  
Estimated costs were set at \$100,000 a year, or about five cents per person.

The area to be served—Madison, St. Clair and Monroe counties, Ill., St. Louis and St. Louis, St. Charles and Jefferson counties, Mo.—has 367 square miles. Its 2,076,121 population in 1960 is expected to top three million by 1980.

Parties to the agreement would be the Illinois State Board of Economic Development — which the legislature has changed to the Department of Business and Economic Development — the Highway Division of the Illinois Department of Public Works and Buildings, the Missouri State Highway Commission and the Missouri State Division of Commerce and Industrial Development.

Memoranda of agreement sought from municipalities, counties and similar jurisdictions cite the prospectus as a general guide for the work program, empower the East-West Gateway Coordinating Committee to execute and administer the program on an interim basis, instruct it to undertake steps to establish itself as an official commission or develop a council of governments, and state that there is agreement in principle with the financing proposals outlined in the prospectus.

Total costs over the next four years were projected at \$2,033,000, including \$1,588,000 in federal tax funds.

#### Four Hubcaps Stolen

Dorothy Hayes, 2819 Washington avenue, reported at 2:30 p.m. Sunday that during the night someone had stolen four hubcaps from her auto.

**NEARING COMPLETION** at Mitchell on access road fronting on Route 270 just east of Atlantic & Southern Railroad tracks is this new 80x100-foot building that will house the offices of the meeting and Operating Engineers Local 520, moving its headquarters from East St. Louis. In the background is the pit in which a recent drowning occurred.

### Unused Lincoln School Looted of Furnace, Fixtures

Thieves, apparently well-equipped with acetylene torches and other wrecking tools, completely stripped unused Lincoln high school between July 3 and Saturday, it was reported by Roy M. Musick, secretary of the Venice school board.

Included in the items stolen were a five-ton furnace, hardwood flooring, all metal radiators, fluorescent light fixtures, nine toilet fixtures, iron piping, two ceiling heating units, plumbing lines and an outside iron stairway which was installed at the south end of the school building two years ago.

Musick said school officials are willing to prosecute those responsible, if they can be found. Estimates of the losses have not yet been made, but may run into hundreds of dollars. A check with a local scrap metal firm today showed the approximate value of scrap metal is \$20 per ton.

A special meeting was held by the board last night to review the situation, Musick said, with the board advised by Attorney Harry E. Hartman to request a police investigation.

At last Tuesday night's regular meeting, the board had decided to seek permission from the city to burn down Lincoln high school. At the same session, it was brought out by Musick that no insurance is now carried on the building.

Musick said today all electrical boxes and electric wiring had been pulled loose in the building, indicating the possibility that the thieves planned to return for the additional loot. He estimated the value of each electrical box at about \$200.

#### Sued for Car Payments

A suit for \$1335 plus interest and costs has been filed against Oreste Tony Petrillo of Granite City by Commercial Credit Corp. in the Madison county circuit court as the amount owed on a 1961 auto which has been repossessed. The complaint alleges Petrillo purchased the auto on an installment contract May 15, 1962, but defaulted in the payments and the loan firm purchased the contract.

#### Attempted Theft

Lonnie Garrett of Lonnie's service station, 3300 Nameoki road, reported at 1:40 p.m. Sunday that during the night someone tried to turn a machine off a wall.

### Operating Engineers' New Building Ready By Aug. 1

A new meeting hall and office building now under construction at Mitchell for Operating Engineers Local 520 is expected to be completed and ready for occupancy shortly after Aug. 1, union officials reported today. Union officials will administer the activities of the local in a 16-county area from the new headquarters location.

Built at a cost of more than \$100,000, the brick structure, 80 by 100 feet in size, will contain four offices and a general office as well as a large meeting hall. Local 520 covers an area extending along the western side of Illinois from Calhoun county on the north to Randolph county on the south, extending eastward to Nookomis on the north and Mount Vernon on the south.

The property on which the

### Madison Radar Unit Issues 11 Tickets

Eleven speeding tickets were issued late Friday afternoon by a Madison police radar unit. The arrests were made in the 700, 800, and 1000 blocks of Madison avenue and the 3800 block of Third street.

Arrested were Alice F. Giles, 2616 Forest avenue, Russell, Mo., 4108 South Drive, Roland Homes, 4210 Kirkpatrick Homes, Hatfield Lindell Brabant, 1245 Iowa street, Madison; Louis and Eugene Lindell, 1912 Harris street, Madison; James Basil Lake, 1015 Second street, Venice; Bernice Patterson and Raymond Don Muniz, both of East St. Louis; John Bassett, Belleville; Clifford E. Jones, Greenville; and Evelyn Faye Oliver, East Prairie, Mo.

Hearings were set for July 21 for Jones and July 22 for the others.

### Alfred Wallis, Former Resident, Dies at 42

Alfred Carlyle Wallis, 42, a former local resident, who had been residing at 734 Twentieth street, Rock Island, Ill., died at 12:10 a.m. Friday at St. Luke's Hospital, Davenport, Ia. Death was attributed to a hemorrhage and cirrhosis of the liver.

Born in Golden Pond, Ky., Mr. Wallis had resided in Granite City for 15 years, leaving here in the mid-1940s. He also had lived in St. Charles, Mo. He was employed as a machinist assembler at the Bear Manufacturing Co. in Rock Island.

He is survived by one brother, Allison Boyd Wallis, 2309 O'Hare avenue, and three sisters, Mrs. Ann Boyles, High Ridge, Mo., Mrs. Dale Appene, Davenport, Ia., and Mrs. Edith Dickson, St. Charles, Mo.

Funeral services were held in Madison at 1 p.m. today. Arrangements are given in the obituary column.

### Pet White Rabbit Found, Held at Animal Shelter

A large white rabbit, obviously a pet, is being held at the Granite City animal shelter for its unknown owner, Al Young, humane officer, reported today.

The animal, with brown ears, was found on Joy avenue and was reported by residents to have been in the neighborhood for about three days.

### Gate Breaks Windshield

Falling to set a descending crossing gate while driving east toward Niedringhaus avenue railroad tracks at 7:35 a.m. Saturday, Hollis Donaldson, 1607 Maple street, reported that the gate broke the windshield and radio aerial of his auto. Damage to the gate was slight.

## Mrs. Brown Home From '65 National Library Conclave

Mrs. Andrew Brown, librarian of the Venice public library, returned home Thursday evening from Detroit, Mich., where she attended the 84th annual conference of the American Library Association, which had as its goal the improvement of library services nationally. Over 6000 attended.

More than 625 meetings were held during the week to inform members of new developments and trends in filling an expanding educational and sociological role. Edwin Castagna, president, said libraries will need more than \$4 billion additional funds and 80 million books to reach minimum standards and fulfill growing responsibilities.

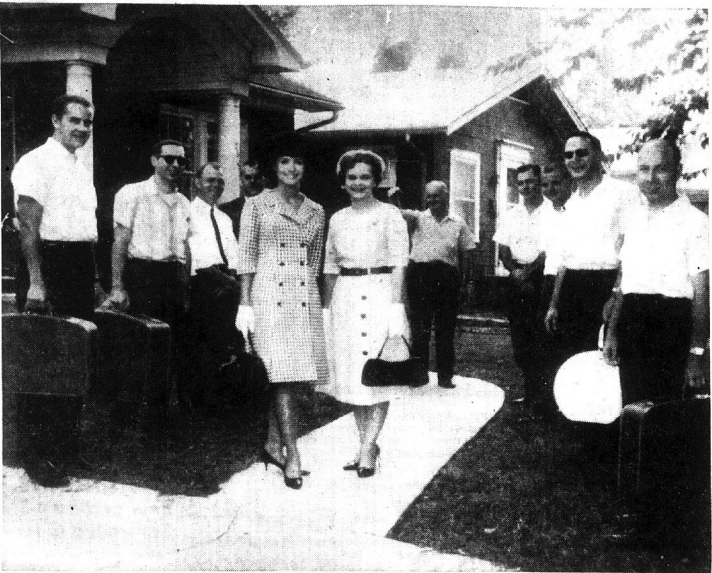

Theme of the conference was "Libraries for a Great Society." Castagna said, "Rapid development of the sciences and technology underlying all communication and information activities is creating a revolution in librarianship."

Mrs. Brown participated in the "Adult Service Division," "Library Service to Labor Groups," "Libraries and Literacy," "Young Adult Services" and "Children Services" sections.

**Awards Dinner**  
At a dinner attended by 1920 persons, the Newbery award was presented to an author of children's books, Maia Wojciechowska, for her story "Shadow of a Bull," the Caldecott medal to Ben Montresor for his illustration of "May I Bring a Frog?" and the Wilder medal to Ruth Sawyer for her portrayal of children's books.

Mrs. Brown also went to Windsor, Canada, to visit industrial and residential areas.

She visited Greenfield Village in Michigan.

JAYCEE HONOR GUARD assists Miss Kathy Oros, new Miss Granite City, and her mother, Mrs. Paul Oros. They left their home at 2841 Washington avenue today for Quincy, Ill., where she will compete later this week for the Miss Illinois crown. A final good-luck wave is given by the beauty queen's father, standing in the center background.

Jaycees present for the sendoff ceremony were (left to right): James Burton, Jaycee president; Clifford Jones; Robert Schofield, local pageant chairman; Jaycees Eugene Sheo, Dr. John Reel, Paul Morris and Gerd Krause; and Earl Datzover, pageant publicity director.

By Press-Record Staff Photographers

## Speeding Arrest

Larry Flinn, Cahokia, Ill., was arrested for speeding in the 2800 block of Madison avenue Friday evening. His hearing was set for July 22.

## Car Blocks Driveway

A ticket was issued at 1:45 a.m. Sunday on the auto of Floyd Cochran, 2148 Benton street, listing two charges—blocking a driveway and congesting traffic in the 2200 block of Iowa.

## On Way to Quincy and Miss Illinois Contest

## Rousing Send-off for Miss Granite City

With the well-wishes of Granite City Jaycees ringing in her ears and echoing the sentiments of the community, Miss Kathy Oros departed for Quincy at one o'clock today in her quest for the coveted Miss Illinois crown and the opportunity to compete for the title of Miss America in September.

The new Miss Granite City left by auto with her mother, Mrs. Paul Oros, 2841 Washington avenue, and Robert Schofield, chairman of the local Jaycees-sponsored pageant.

Later this week, her father and possibly other members of the family will travel to Quincy, site of the 1965 Miss Illinois pageant, to view portions of the contest. Miss Oros has an older brother, Gerald, and a 12-year-old sister, Renee, who attends Sacred Heart school.

On her arrival in Quincy later today, Miss Oros will join approximately 25 other finalists for a parade through the downtown area, followed with a reception at a hotel where the contestants will stay.

**Pageant Starts Wednesday**  
The pageant will get under way Wednesday evening at a junior high school, which has been specially decorated for the occasion. Leading up to the finals Saturday night, preliminary contests will be conducted on three successive evenings during which all candidates will appear in one of the three circles.

## Sellouts for Bus Trips To Opera Performances

Excellent response to air-conditioned bus trips to the St. Louis Municipal Opera, sponsored by the Granite City park district, has resulted in sellouts for the next two outings, it was reported today by Harold Brown, park superintendent.

Completely booked are trips slated for tomorrow night, when theatre-goers will view the musical, "Little Me," and on July 20, for "Cinderella." A third trip, Aug. 17 for "Camelot" also is sold out, and only a single ticket remains for each performance of the same show on Aug. 24 and Aug. 31.

Three other trips scheduled in the park district's 1965 opera trip series and the number of tickets still available are: "The Student Prince," July 27, ten tickets; "High Button Shoes," Aug. 2, 13 tickets; and "Hocus Drum Song," Aug. 10, five tickets.

## Collision in Madison

Auto driven by Mary L. Oros of East Alton, and Ruben M. Mendoza of 1647 Olive street, were damaged in Madison at 12th and State streets. Police said the mishap occurred when Mrs. Oros, driving south on State street, started to make a left turn onto 12th street. Mrs. Oros' car was damaged on the left rear door, and Mendoza's car on the right front bumper, fender and headlight.

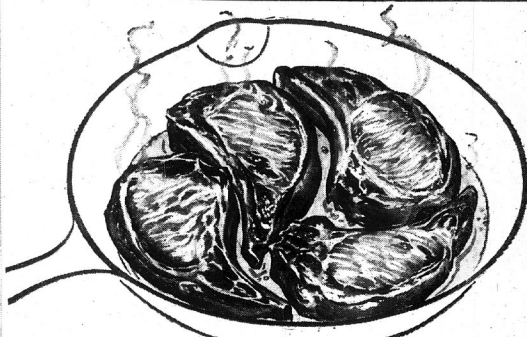

## Auto Trespass Charge

Granite City police arrested Dennis R. Richards, 18, Ferguson, Mo., at 12:10 a.m. Saturday on a charge of criminal trespass on a motor vehicle at 1726 Cleveland blvd. He was released on \$200 cash bond that afternoon to return for a hearing July 21.

MEETING ADJOURNED.

MRS. B AS IN BLOPSCHADAMITZ WILL HAVE DELIGHTFUL LITTLE TIDBITS AS ALWAYS 9:30 & 2:30.

# Reds Take I-C All-Star Game 3-2

Fine pitching dominated this year's Southwestern Inter-City League All-Star game at Hartman's Moonlight diamond yesterday at Troy as the Red Division nipped the Blues 3-2.

The Blues led 1-0 going into the last half of the sixth inning on a second-inning home run by first baseman Larry Novak of Pocatamos.

In the sixth the Reds tied the score on a safety by second baseman Jesse Young of the Polish-American War Veterans which brought home Chuck Hasenstah of Collinsville, who had led off the inning with a walk and advanced to second on an error.

An error again proved costly in the seventh for the Blues as the Reds pushed across two more tallies. Wayne Crosse of Collinsville opened the inning by hitting a grounder to shortstop Dave Sparks of Mitchell A.C. who booted it.

Pitcher Gets RBI  
Crosse advanced to second on

## PRESS-RECORD SPORTS

Page 6 Mon., July 12, 1965 Granite City PRESS-RECORD

a sacrifice bunt by Bob Kiehlinski of PAWV and scored on a single to left by Vernon Lewis of Troy. Lewis took second on the throw to the plate.

Pitcher Doug Edwards of Collinsville then lined a base knock to the same spot, and Lewis rode home with the Red's final marker.

John Basarich of St. Clair leading opened the ninth for the Blues with a drive over the left-centerfield fence and the score was 3-2. Edwards, however, retired the next three batters to end the game.

Ninth Out-Run Division  
Despite the victory by the Red

Division, which played errorless ball, the Blues still hold a 10-7 edge in the all-star contests, nine of which have been decided by one run.

Local players who participated in the game were: Don Crabtree, Charles Johannmeier, Harry Smith, Gary Cumberland and Bob Schenlin of Mercer for the Blues; Bill Lierman, Larry Corey and Dave Sparks of Mitchell A.C. for the Blues; and Bob Ketter, Frank Hilde and Joe Hauptman of Sacred Heart for the Reds.

Schenlin and Johannmeier contributed singles to the Blues' attack. Lierman was impressive in his brief stint on the mound, allowing just one hit.

Score by innings: R H E  
Blues Division 010 000 001—7 2  
Red Division 000 001 20X—3 4 0  
Griffin, Lierman (5), Eschenfelder (7), Rosenbaum (18) and Eisenbauer, Smith (7); Pawlak, Wisniewski (4), Edwards (7) and Griffin, Hauptman (8).

### Slow-Pitch Regional Starts July 25; Winners will Advance to State Meet

Regional games to qualify for the Illinois Amateur Softball Association slow-pitch tournament will be held at the Wilson Park softball field on three successive Sunday afternoons, July 25, Aug. 1 and Aug. 8.

Any teams interested in entering the tournament must submit their rosters and be registered by July 20. Roster forms may be had by contacting Harold Brown the district representative for the ASA, at the Wilson Park office.

The entry fee will be \$20, \$15 of which will go to the ASA. The remaining \$5 will be used for the expense of the regional games.

A field of 16 teams will be entered in the state tournament at the Wilson Park diamond Aug. 20-22. The winning team will qualify for the ASA World slow-pitch tournament, which will be staged in Maumee, Ohio.

Last year's state tournament winner, Spangler-Dawson of Granite City (now the A-C Contractors), is automatically assured of a berth in this year's tournament. Seven spots will go to winners of the Granite City regional games.

### Paddlers Snap Several Marks In 309-180 Win

Ten team records were broken and another tied by Paddlers swimmers in a 309-180 victory over visiting Florissant, Mo., Thursday.

Two Paddlers were triple-winners—Ann Bickhaus in the 11-12-year-old division and John Evenden in the senior division. Both won the freestyle, medley and butterfly events.

For Florissant, Kathy Shaffer in the Sand-tender division and Jay Briedecker in the 13-14 division were triple-winners. Billy Skirball of the Paddlers established records of 1:30 seconds in the freestyle and 2:10 in the butterfly in the Sand-tender division. Both were 25 meters.

Mark Magyar, in the 9-10 division, led the 25-meter freestyle mark of 1:17 and broke his own backstroke mark with a time of 2:07.

Other records: Elizabeth Spinks, Sand-tender, 2:02 in freestyle; Greg Terrell, 9-10, 2:25 in freestyle; Pat Lutz, 11-12, 3:41 in breaststroke; Danny Noth, 9-10, 1:55 in butterfly; Dickie Byers, 11-12, 4:43 in 50-meter butterfly; and Ann Bickhaus, 9-10, 3:33 in 50-meter butterfly.

The 11-12 relay team of Mike Yeager, Loftus, Byers and Noth snapped the individual medley relay record with a time of 1:17.

The Paddlers' "minnows" go to Edwardsville at 6 p.m. tomorrow for a triangular meet with Belleville Dorchester and host Montclair's 6-10-year-olds. The entire team faces Town & Country of Collinsville in a conference meet here at 6 p.m. Thursday.

### Maxvill Used Little So Far

Dal Maxvill has a batting average of .063 for the St. Louis Cardinals as the major league season gets under way. The 26-year-old Granite Cityan has batted only 29 times this season with two hits including a triple. He has scored two runs and batted in four.

Maxvill has been used sparingly despite the sidelining of injured Julian Javier, the regular second baseman. Javier's spot has been filled by St. Louisan Jerry Facheck or rookie Phil Gagliano in most games.

Last year, when an injury took Javier out of the World Series, Maxvill played second in four hits and was errorless in the field.

Centerfielder Curt Flood leads the Cardinals with a .304 average. Gagliano, who also played in the outfield, is hitting .189 and has one hit. The Red Birds' lone all-star, Bob Gibson, tops the pitching staff with a 10-7 mark.

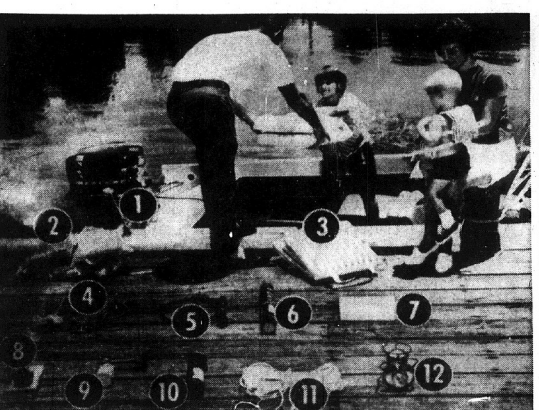

### Lancers Run First In 'Y' Track Meet

The Lancers defeated the Wildcats 71-45 in the first track meet of the YMCA youth summer program Saturday at Emerson school.

Three boys were double-winners for the Lancers in the senior races 12-13-14 division. Jerry Thompson won the 50-yard dash and shot put, Kevin Davis took the 75-yard and 400-yard races and Barry Trots captured the high jump and broad jump.

In the junior races (8-10-11), the Lancers' Dave Geisler won the 50, 100 and 200-yard races and the 75-yard dash. Bob Apple was the Wildcats' lone winner, taking the junior broad jump.

The Lancers won both 220 relays.

RECOMMENDED SAFETY equipment for boaters includes: 1. Proper running lights; 2. life jackets for everyone aboard, 3. buoyant seat cushions, 4. anchor and line, 5. bilge pump, 6. distress signal kit, 7. first aid kit, 8. compass, 9. air horn, 10. fire extinguisher, 11. at least 50 feet of extra line and 12. lantern.

### Legion Can Gain Tie With Win Tomorrow

American Legion Post 113 goes for a first-place tie at 6 p.m. tomorrow in a 22nd District Northern Zone game against Edwardsville at Wilson Park No. 1.

The Granite City team, hoping to catch Allen in the zone standings, was awarded a forfeit victory Friday at Glen Carbon. A schedule mix-up caused the forfeit.

Post 113 manager Roy Achenbach said his schedule and the official league schedule showed the game was to be played Friday. Glen's schedule, however, listed the contest for Sunday.

District director Carl Titze of Mascoutah said error was his, but Glen decided to forfeit and will apparently disband for the year.

Allen has finished the Northern zone with a 10-2 record with Granite City now 9-2. If Post 113 defeats Edwardsville tomorrow, a special playoff game to settle the zone championship will be necessary.

Presumably the playoff will be Wednesday or Thursday, since the inter-zone playoffs are to be held Saturday and Sunday.

Belleville's Post 58 Hildgards need one victory to clinch a tie for the Southern Zone title. Belleville is 9-1, leading O'Fallon Post 137 8-2 in a game and, and plays Lebanon tonight and East St. Louis Post 378 tomorrow.

The 22nd District playoffs, matching the Northern and Southern zone winners, start Friday night with the team having the fewest losses as host. The best two-of-three series will continue Saturday and Sunday.

The district champion advanced to the 22nd District Division playoffs at Collinsville. The state finals will be Aug. 5-8 at Carlini, the national Region 5 meet will be Aug. 19-24 at East Chicago, Ind., and the Legion World Series is slated Aug. 31-Sept. 6 at Aberdeen, S. D.

### Sidetrack Nips Bowland for 4-3; Serwatka Gem

Sidetrack Lounge edged Bowland 4-3 in the seventh inning yesterday in a Tavern League slow-pitch softball game.

Mike Sekora tripled to tie the game in the last of the seventh and Frank Ors ended the contest with a run-scoring sacrifice fly.

Jerry Teague, Bob Jones and Charlie Sato all had two hits for the winners. Frank Searsdale and Ray Hoffman both had a pair of safeties for Bowland.

Stan Serwatka turned in a rare two-hit shutout as a pitched Polish Hall to an 11-0 victory over Tony & Joe's.

Leading batsmen for Polish Hall were John Modrusic, Everett Cottrell with three hits each, John Konowich, Ray Jones, Serwatka and Eddie Modrusic contributed two hits.

John Modrusic's hits included a triple and double while Cottrell rapped a home run.

### Jacobsmeyer's Stops Larry's

Jacobsmeyer's held off a late surge by Larry's Corner last night to win a 16-13 decision in 35 and 40 League slow-pitch action at Wilson Park.

After falling behind 14-1 in the first 31st innings, Larry's kept climbing until five runs in the seventh cut the deficit to three runs. There the rally fell short.

John Allen and Stan Serwatka both homered for Jacobsmeyer's. Serwatka also had a triple and single. Al Paskus had a triple and three singles.

Bill Portell had a double and two singles to top Larry's.

Jiffy Car Wash was awarded a forfeit over Local 16. The games had been rained out June 28.

### Hoffman Wins Three-Hitter With Own Bat

Ray Hoffman pitched a three-hitter and drove in the winning run Saturday night as his A-C Contractors defeated Kirchner Hardware 4-0 in Classic League fast-pitch softball.

Hoffman faced only 24 batters as he struck out four and walked none. He gave up singles to Dan Gravitt, Rich Buer and Bob Ketter.

The only run came in the fourth off Jerry Volvetti, who gave up only five hits. Catcher Jim Cameron lead off with a single, advanced as Dave Sparks was safe on an error, and scored on Hoffman's one-out single.

The Good Fellows stroked 16 hits in an 18-8 triumph over the walkers Brokaw, Scarborough and Ed Bodman all had two doubles.

For Jimmy Emmett Dannenberg hit two doubles and Rick Reutebuch tripled.

**Puterbaugh Wins Speedway Feature**

Bill Puterbaugh won the feature super-modified race Saturday night in auto racing at the Tri-City Speedway, Granite City.

Bill Meyer won the handicapped race for the six fastest qualifiers. Heat winners were Tommy Stauffer, J. Pritchett, Al King and Ron Taylor.

Clyde Lindemann won the fender-bender feature.

Next weekend's card includes the stock car races on the quarter-mile track Saturday night and special "midnight (moonlight) races on the half-mile oval Sunday night.

### Nameoki Boys Battle Herrin In Area Meet

The Nameoki Little League will send an all-star team to Herrin, Ill., to participate in an area tournament on July 24.

Clarence Boyles, manager of the Crewcuts, will be the all-star manager. William Jennings, manager, will serve as coach.

Boys selected from Major Division teams are: John Eitink, Mike Eitink and David Sato of the Champions; Max Legate, Mike Adams, Jeff Boyles and John Crow of the Crewcuts; John Jennings and Clay Thomas of the Robcats; and Tommy Mitchell, Barry Schroeder, Richard Walker, James Robinson and John Behagen of the Shutterbugs.

Alternates are Charles Rowell of the Crewcuts and Richard Shafter of the Robcats.

Jeff Boyles will be the starting pitcher at Herrin. He is currently participating in his fifth season with the Nameoki Little League and has pitched eight complete games so far this season, winning seven of the decisions.

He has three one-hitters to his credit. His record includes 119 strikeouts, 19 hits, 18 walks and 16 runs allowed.

Unlike most pitchers, Boyles is quite a hitter also; he has hit nine home runs through the first half of the season, tying a record for circuit clubs in a league which has been in existence longer since 1957.

If the local team wins the Herrin game, it will advance to the district tournament July 29 under the light at Olney. The winning team advances from there to the sectional at Lawrenceville. The successful squad then going to the state tournament at Des Plaines.

Next on the tournament trail is the 15-state regional at Herrin again, with the ultimate goal being the Little League World Series at Williamsport, Pa., to be televised nationally.

### Gruen Wallops Pair In Leading Central To Q-C Church Win

Dave Gruen slammed two home runs Thursday to pace Central Christian to a 17-9 victory over St. John Lutheran in Quad-Cities Church League slow-pitch softball.

Paul Kacera and Mike Laster also homered for the winners. For St. John, Otis Rabon and Rich Link hit four-baggers and Frank Roberts tripled.

Nameoki Methodist topped First Church of God 13-10. Don Kaltmeyer had two hits including a homer, Larry Frazier belted three hits and Sonny Stark led off with five runs in the seventh cut the deficit to three runs. There the rally fell short.

John Allen and Stan Serwatka both homered for Jacobsmeyer's. Serwatka also had a triple and single. Al Paskus had a triple and three singles.

Bill Portell had a double and two singles to top Larry's.

Jiffy Car Wash was awarded a forfeit over Local 16. The games had been rained out June 28.

## Hiles' Homer Moves Sammy's By Falstaffs

Joe Hiles' two-run homer enabled Sammy's to come from behind and edge the Falstaffs 5-4 in the Open South Pitch League Thursday night at the Wilson Park softball field.

The dramatic blast came with two outs and a three ball-two strike count on Hiles in the last of the seventh. Terry Daulto also contributed a circuit drive to Sammy's cause. The Falstaffs scoring featured a home run by Harold Humphreys.

Club Delmar tagged Union Star with an 18-4 loss which included a nine-run outburst. The winners were sparked by Pete Burdage's four hits including two triples, in as many trips to the plate. Mike Harris also came through with 3 hits and performance, getting three safeties for the losers.

In another one-sided contest, the Red Division's Terry Daulto won the honor of Jaycees' 15-2. The winners' victory was highlighted by the home runs of Sam George and Ed Modrusick. Sonny Antoff got a round-tripper for the home team.

Polish Hall and Sammy's are currently tied for first place in the Red Division, both teams having won six games and lost one. Club Delmar and Mexican Meadows are only one game behind with 5-2 records.

Yesterday Rozzycki Realty owned Ill-Mo Claims 13-10 to take the lead in the Jaycees' Blue Division. Rozzycki is 3-5 to Ill-Mo's 2-5.

Paul May led Rozzycki with a homer and two doubles and Larry Cooper poked a double and a single. Carl Alfaro smacked a two-bagger and tripled.

For Ill-Mo, Barry Sykes had a double and two singles and Lloyd Summers homered. Rozzycki scored six runs in the second inning to take a 9-1 lead.

## Credit Union Clinches Title in Khoury League

Granite City Credit Union clinched first place in the Metro-East Senior Khoury League with a 10-inning 4-3 win over the second-place Belleville Moose Sunday at the Coolidge diamond. The victory gave the Credit Union a 9-1 league record.

John "Champ" Summers was the hitting hero in the two-run homer and a triple. He scored three of the Credit Union's runs and batted in two.

Credit Union jumped in front in the first inning 1-0 as Russ Peters collected his first of two hits to drive in the run.

Neither team scored again until the seventh when Belleville picked up two runs to tie 2-2. Then, in the bottom of the eighth Summers hit his home run to put Credit Union back in to the lead.

The lead was short-lived, however, as Belleville tied the game

with two outs in the ninth. They had the lead run on third, but winning pitcher Steve Lelik got the final out.

After a scoreless ninth, Summers led off the 10th with his triple. George Sykes then laid down a squeeze bunt, and the winning run scored.

Lelik, who pitched hitless ball the first six innings, gave up only three hits while striking out ten.

Credit Union will take an overall 11-3 record into an exhibition game against the St. Louis County Domes at 8:30 p.m. Wednesday on Highway 94 near Weldon Springs. Then on Saturday the team will meet the Nunsie Yankees on the Coolidge field at 3:30 p.m.

League action resumes Sunday with an encounter against the East St. Louis Hawks at Leo Park in Venice. Game time is 2:00 p.m.

## Ann Schillinger Qualifies for State In Jaycees Sectional Meet at Cahokia

Ann Schillinger was the only yard run, Debbie Hornberger, Junior high jump, and Brenda Duncan, Intermediate broad jump.

Boys who placed were: Third—Bill Davis, Intermediate 220; fourth—Tom Reynolds, Intermediate 30, and Tom Wallace, Junior baseball throw; fifth—Joe Wallace, Midget baseball throw; sixth—Tom Hasty, Junior 50-yard dash; and Jeff Jackson, Junior high jump.

Thirty-three contestants represented Granite City under the supervision of Jaycees' Paul Morris, John Reel, Herb Siebert, Mike Day and Boyd Presley.

Other Granite City girls who placed were: Second—Luan Smith, Midget baseball throw; third—Debbie Hightower, Junior 50-yard dash; fifth—Nancy Thompson, Midget 50-yard dash and Charlotte Heiman, Junior 75-yard dash; sixth—Janet Thumure, Junior 100-yard dash, Janet Heiman, Intermediate 220-

## RETURN HOME FROM NORTH CAROLINA

Mrs. Sandy Barker and sons, Jeff and Greg, returned to their home, 3218 Wilshire drive, Wednesday from a two-week vacation in Atlantic Beach, N. C.

## MRS. VARADY HOSTESS TO DOUBLE DOZEN CLUB

Mrs. Gerri Varady entertained the Double Dozen card club Thursday evening at her home in Collinsville for a regular semi-monthly meeting. Games were played, and the evening's prize went to Mrs. Sandy Harper. The hostess served a dessert luncheon to Mesdames Patti Twellman, Ruth Smith, Carol Hendricks, and Sharon Kline and the prize winner. Mrs. Smith invited the club to meet in her home, 1741 Courtyard, for the next meeting July 22.

## HOMEMAKERS PICNIC AT WILSON PARK

The Granite City unit of the Madison County Homemaker Extension Association met Wednesday afternoon at Wilson Park for a picnic.

The president, Mrs. A. H. Beckman, opened the meeting. The major lesson was given by Mrs. Marshall McElroy, entitled "Buying Milk Products."

Mrs. McElroy installed as new officers Mrs. Willard Simpson, treasurer; Mrs. Katherine Arnold, second vice-chairman; and Mrs. M. J. Hill, secretary.

Mrs. Hill was assisted in serving by 4-H leaders, Mesdames Ralph Roter and Al Hoveler, and by 4-H girls, Miss Mary Ellen Byers and Miss Susie Hoelter.

Miss Byers spoke on "Stuten Glass." Four-H guests included Miss Jane Hoelter and Miss Ann Marie Oram. Guests of the unit included Mrs. Edward Leddy, Frances Shane, Evadene Perkins and Dixie Baker.

Other members present were Mesdames Virgil Travis, Robert Johnson, Herbert Tempel, Catherine Luttrell, Frank Pare, Raymond Oram, Raymond Borg-

## Granite City PRESS-RECORD

Schneider, Rudolph Petr, Jesse Sayers, Leonard Turnbull, Wayne Hoffmann, Elizabeth Kelly and Rufus Ramsey.

The unit made plans to attend the opera in St. Louis the latter part of August.

## SECRET PAIS GATHER AT CHASTAIN RESIDENCE

The Secret Pais club gathered Thursday evening in the home of Mrs. Emily Chastain, 2320 Angela drive, for a monthly meeting.

Games were played and prizes were awarded to Mrs. Agnes Bricey, first; Mrs. Rita Blum, second; and Mrs. Betty Osburn, third.

The birthdays of Mrs. Bricey and Mrs. Norma Vaughn were observed, with the club members presenting gifts. The hostess had prepared an inscribed birthday cake.

Mrs. Chastain served sandwiches and a summer salad with the cake to those named and Mesdames Eva Kraus, Jerry Rill, Frances Shane, Evadene Perkins and Dixie Baker.

The next meeting will be held Aug. 2 in the home of Mrs. Bricey, 1921 Pontoon road.

## Vandalism Victim

Thomase Jobe, 902 Third street, Venice, reported to police Sunday that he was the victim of vandalism—and a different type of vandalism, at that. Someone slashed two pairs of trousers hanging in his closet.

The Phi Delta Lambda chapter of Beta Sigma Phi met Wednesday in the home of Anita Norton. The pledge manual test originally scheduled for the meeting was postponed until the next meeting.

Secret pais names were drawn. A yearbook committee consisting of Anita Norton, Joan Pritchard and Edythe Barnes, and a telephone committee consisting of Cheryl Rice and Carol Hawkins were appointed by the president.

The July social event was decided. It will be a trip on the river in a boat, followed by a picnic.

Mrs. Bobby Barnes was presented with a Beta Sigma Phi traditional bridal tray as a gift from the club.

Refreshments were served. Those present included Cheryl Glauser and Mrs. Norma Rains, sponsor.

## RETURN TO ALABAMA

Mr. and Mrs. Cecil Coggins and son, Bill, all of Huntsville, Ala., left Wednesday for a five-day visit here at the home of Mr. and Mrs. Shelby Coggins and children, Shirley and Jerry, 802 Third street.

## FAREWELL DINNER

Mr. and Mrs. William Eberhardt, 804 Third street, entertained with a family dinner Wednesday evening in honor of their son, Jim, who was inducted into the armed services Friday morning at Edwardsville.

Guests were Mr. and Mrs. Robert Stoff of Edwardsville and Mr. and Mrs. Neil Eberhardt and daughter, Sherri, and Miss Donna Moore, all of Granite City.

## MRS. PAINTER HONORED BY CLUB ON BIRTHDAY

Mrs. Hazel Painter was honored on her birthday at a meeting of the Christmas club, held Wednesday afternoon at the home of Mrs. Jessie Foley, 717 Broadway. The honoree received

cards and gifts from each of the club members. Games were enjoyed and prizes were awarded.

A decorated cake centered the refreshment table, and others were Mrs. Ora Anderson and Mrs. Jessie Jones, both of Granite City, Mrs. Margaret Painter, Mrs. Lillian Durr, Mrs. Naomi Boelling and Mrs. Hester Ohlen-

dorf, all of Venice. Hostess for the July 21 meeting will be Mrs. McGee, 814 Third street.

## DESSERT LUNCHEON FOR FRIENDLY NEIGHBORS

Members of the Friendly Neighbor club held their monthly meeting Thursday evening at the home of Mrs. Phyllis Johnson, 1713 Spruce street.

Prizes for games were awarded to Mrs. Vela Sifton, Mrs. Shirley Foote and Mrs. Doris Baker, all of Venice, and Mrs. Jane Ireland of Mitchell.

A dessert luncheon was served to those mentioned and to Mrs. Dolores Sifton and Mrs. Betty Wallace, both of Venice, Mrs. Marcelle Boushvard of Hardin, Ill., and a guest, Mrs. Monica Jones of Granite City.

Hostess for the next meeting will be Mrs. Wallace, 650 Washington avenue.

## LEGION POST, AUXILIARY TO INSTALL JULY 31

A regular business meeting of Venice-Madison American Legion Auxiliary Unit 307 was held Thursday evening at the Legion Home, with Mrs. Mary Ballentine, president, presiding.

It was announced that a county meeting will be held at Legion Post 365 in Collinsville Wednesday at 8 p.m. A joint installation of officers of Post 307 and the Auxiliary will be held July 31 at the Venice-Madison American Legion Home.

Mrs. Ballentine, who had accepted a certificate of honor from Mrs. Jessie Foley, 717 Broadway, the honoree received

and displayed it at the meeting. The certificate was signed by Mrs. Gwendolyn Boyd, department president, and Mrs. Ella Willett, department rehabilitation chairman. The plaque was given for "outstanding cooperation" in serving disabled veterans of World War I, World War II and the Korean war through contributions in the "Eight Point" rehabilitation program.

Others attending the meeting were Mrs. Joyce Austria, Mrs. Mildred Scannell, Mrs. Dolores Naselroad, Mrs. Virginia Koenig, Mrs. Viola Harrison, Mrs. Beulah Sizemore, Mrs. Elizabeth Bergbrath, Mrs. Ann Taylor, Mrs. Jessie Henderson, Mrs. Frances Cowley and Mrs. Norma Hillman. The next gathering will be a social meeting with Mrs. Estella Bone as hostess.

## PAST PRESIDENTS MEET

The Venice-Madison American Legion Auxiliary Unit 307, Past Presidents' Party met Wednesday evening at the Legion Home on Broadway, with Mrs. Mildred Scannell, president, in charge.

It was announced that the past presidents' dinner will be held Sept. 1.

A social time followed and games were played, with prizes going to Mrs. Mary Dittman, Mrs. Jessica Henderson, Mrs. Scannell and Mrs. Elizabeth Bergbrath.

A two-course luncheon was served by Mrs. Sybil Robbs and Mrs. Scannell, hostesses for the evening.

Others present were Miss Dorothy Hinson, Mrs. Hazel Hinson, Mrs. Norma Hillman, Mrs. Ann Taylor, Mrs. Frances Cowley and Mrs. Jackie Leatham. Hostesses for the next meeting will be Mrs. Zelma Hart and Mrs. Audress Brown.

## VISIT IN MISSOURI

Mr. and Mrs. Spratley, 2014 Weber street, spent Friday in Crestwood, Mo., where they visited their son and daughter-in-

## 7 From Here to Attend Camp for Homemakers

Madison county women will enjoy a day at camp Thursday, attending a homemakers' camp at the Western Illinois 4-H Camp, Lake Jacksonville.

The program for the day will include crafts, swimming, boating, nature hikes, fishing, sunbathing and group singing. The camp will be attended by ladies from throughout western Illinois, including Madison, Jersey, Adams, Macopin, Mason, Pegra, Hancock, McDonough, Calamus, Fulton, Schuyler Brown, Morgan, Scott and Sangamon counties.

Those attending from the Quad-City area will be Mesdames Charlotte Tempel, Laura Travis, Katherine Arnold, Josephine Uram, Evelyn Rinzinger, Norma Ridenbach, and Freddie McElroy.

## Moving Expenses Paid

Gov. Kerner Thursday signed a bill to provide for payment of moving expenses for persons forced from their homes or businesses by highway construction.

law, Mr. and Mrs. Howard Spratley and daughter Janet Marie.

Mr. and Mrs. Spratley had returned home Thursday evening from a four-day trip to Missouri. In Belgrade, Mo., they were guests at the home of Mr. and Mrs. Vineyard, later spending some time in Rolla, Mo., and at Alley Springs. Enroute home, they visited a son-in-law and daughter, Mr. and Mrs. Porter and family of Columbia Mo.

Mrs. Marie Mangi of 92 Venice Homes, who celebrated her birthday Thursday, was the recipient of many cards and gifts from friends who called on her during the day. Her sister, Mrs. Stella Johnson of Missouri, spent the day visiting at her home.

**20 NAMEOKI VILLAGE**

## Group Opposes Present Nameoki Twp. Sewer Plan

The Committee for Economic Improvement for Nameoki Township today took a stand opposing the sewer bond issue ordinance as passed by the Nameoki town board of auditors July 21.

A statement by President Mike Rapoc and Secretary-Treasurer Edison Phelps related that "we wish to clarify any misunderstanding. We are not opposed to sewers, but we will not sanction a sewer proposal such as the one the township board of auditors has prepared and will force upon property owners and taxpayers of the township unless the voters reject it by election."

"We strongly feel that the bonds should be let for bid. After all, a bond issue of \$1,000,000 is not chicken feed, and the residents of the township are going to foot the bill on this program for many years in the future. They should reap any benefits that competitive bidding will produce for them."

"The board of auditors has considered only one set of plans of a preliminary nature, with no alternate plans to stimulate economy in the program."

"We have attended various meetings and urged the board to work with citizens. The committee representing all areas of the township. This has not been done to the satisfaction of the citizens."

**Costs Viewed as Excessive**  
"Under the provision of the Sewerage Bond Issue Ordinance, the property owners will be required to tap on and use the sewers and pay the established monthly rates and tap-on fee."

"By the time the property owner completes the sewer charger from the house to the sewer line, this will entail quite a sum of money, and this will be the property owner's responsibility."

"This organization has circulated petitions with the purpose of securing an election in order

## 33 Attend Cost Reduction Seminar at GC Army Depot

A cost reduction seminar held at the Granite City Army Depot through the efforts of Col. Charles B. Schweitzer, command officer, is proving helpful to Department of Defense representatives from area installations, military spokesmen reported.

Thirty-three individuals participated, representing the Army, Navy and Air Force, and heard lectures on cost reduction, analysis division, Army Materiel Command, Washington, D. C., speak on communicating.

The purpose of the seminar was to exchange ideas and discuss mutual problems of increasing efficiency and reducing costs of operations, a program that has continued since 1961 when the Department of Defense, resulting in huge cost reductions.

Berg, also cost reduction manager for the Army Materiel Command, stressed the importance of the program to the taxpayers.

He said the Department of the Army has reiterated that cost reduction is everybody's business. Am I my brother's keeper? you may ask. The answer is—if your brother is involved in the management of Department of Defense resources, yes.

"This answer I give you, but it is only an echo and an implementation coming through me from the commanding general of the Army Materiel Command—coming to him from the secretary of the Army and the chief of staff—in turn the secretary of defense and the President of the United States."

"But the answer does not really originate at any of these levels. It comes to you from your real bosses, the taxpayers."

Berg remarked that "I have come here today to listen and learn as well as to talk and teach. I am sure that I will be enriched to the extent I make it possible for you to communicate to me."

Speaking on technological advances, he said "there is no question but that scientific and technical progress has been accomplished at a prodigious rate since 1961."

The depot is under the command of the U. S. Army Supply and Maintenance Command headquartered in Washington.

Quad-City troops represented at camp this week are Troop 43 of Madison Junior school PTA and Troop 12 of Granite City Niedringhaus school PTA.

Comers from Troop 43 are Van Ford, Henry Dobins, Fredrick Young, James Gardner, Gardner, Bruce Fletcher, Keith Williams, Byron Drayton, Ed Chandler and Brice Ford and the leader, Odell Green.

Those of Troop 12 are David Morgan, Marlen Evans, James Bach, Terry Hamm, John Hamm, Fred Shilton, Dan James and John Conway, Bill Kratz, Don Robertson.

Gary Schmitz, Steve Fischer,

## State School Escapee Captured in Venice

A man whom Venice police identified as a 23-year-old escapee from the Lincoln State School was picked up as a prowler at 2:40 a.m. Friday.

The man was wearing an "in-situation issue" jacket of blue denim bearing a laundry-marked name at the time of his arrest. A bulletin from state police on July 8 had listed the escape of two men, 23 and 28, from the state school. The jacket name was that of the older man.

The man was arrested after a policeman, driving a patrol car, had seen him trying to hitchhike a ride at Second street and Broadway. He twice tried to get into the cars of passing motorists.

Another squad car was summoned and the two officers arrested the man as he came out of a stairway that led to quarters over a liquor store at Second and Broadway.

At post headquarters he gave a different name, said he was 35 years old and was from Los Angeles. In his pockets, police found an electric razor bearing the name of the 23-year-old suspect. The prisoner claimed he obtained the jacket from the Salvation Army.

State police were informed of the arrest and he was returned to the school Saturday.

## Scott AFB Boasts Long, Proud History

Scott Air Force Base, Illinois Expedition Land's finest, located at Belleville, Illinois back door, is one of the first of the world war I airfields. The station was established in 1917 and named Scott Field that year in memory of Corp. Frank S. Scott, a pioneer airplane mechanic, killed in an air crash at College Park, Md., Sept. 28, 1912, believed to be the first enlisted man to lose his life in an aircraft accident.

Down through the years, the base has been an important air installation, and has had four principal missions during its 47 years of continuous service.

The first mission, air training for world war I, 1917-18 began 40 years of air training at Scott, and about 500 pilots, plus a sizeable number of ground crew personnel, were trained here for duty in Europe with the AEF.

An airship age followed. From 1922 to 1938, Scott was the U. S. Army lighter-than-air center. A huge dirigible hangar, the second largest in the world, was built here in 1922. An airship mooring mast was constructed nearby in 1927, for blimps, dirigibles and balloons.

**Hangar Torn Down**  
By 1930, lighter-than-air was "old hat," and the dirigible hangar and mooring mast were torn down. All Scott-based lighter-than-air craft were transferred to Randolph Air Force Base and Scott became a Military Air Transport Service (MATTS) center.

Under MATTS control Scott has become an important aerospace center, with accent on global air lift, weather and communication. Eight years later ATC moved to Randolph Air Force Base and Scott became a Military Air Transport Service (MATTS) center.

Today, the original 1917 land area of about one square mile has grown to more than 2,000 acres at present. Scott was a relatively small U. S. Army post, with limited garrison strength until world war II expansion built it into a key air installation.

Scott has five operating areas, eight family housing subdivisions, an 18-hole golf course, and other athletic and recreational facilities located around a flying field.

Scott is a busy place. Military

**VIEW OF MATS** headquarters building at Scott Air Force base, one of the first of the world war I airfields later designed to become a dirigible and balloon base, and now an important aerospace center, with accent on global air lift, weather and communication. It was one of the country's largest radio training schools during world war II.

and civilian personnel, residents and transients all intermingling in the average day's activities.

**Enjoys Fine Environment**  
The base enjoys a favorable community environment. The city and towns surrounding it provide unlimited cultural, recreational, residential and commercial advantages. Pleasant relations with the neighboring communities are a long standing Scott tradition, due to successful community relations efforts of base commanders, personnel, and the Belle-Scott Committee.

The Belle-Scott Committee, the base-community council, is recognized nationally as a model civilian-military liaison agency.

### Illness Causes Delay Of Sanity Hearing

A sanity hearing for Paul David Kelley, 19, of Mitchell, who is charged with murder, has been continued until July 29 in Madison county circuit court at Edwardsville.

It has been scheduled for Thursday, but one of two psychiatrists who had examined Kelley became ill and entered a hospital Thursday morning. It was reported that the other psychiatrist, from Belleville, had found Kelley to be legally eligible to stand trial. Arrangements may be made to employ another psychiatrist.

Kelley is one of three defendants charged with the murder of Aaron Leggett, 26, at the Arlington Heights country club last Feb. 4. Leggett was shot nine times.

The other two, Earnest Lloyd Nichols, 47, of Mitchell, and his son, Charles Easton Nichols, 21, of Granite City, have been found guilty by juries and are awaiting sentencing. A motion for a new trial has been filed for the younger Nichols.

## Home Notes

By Mrs. Catherine R. Mauck  
Madison County Home Advisor  
Home Economics Extension  
University of Illinois

### CHOCOLATE THAT'S TURNED WHITE

Don't throw out chocolate just because it's turned white. This is simply a sign that some of the cocoa butter has separated out. This happens at temperatures of about 85 F. The cocoa butter in the chocolate turns white. Only the appearance of the chocolate is affected by this separation. Usually, there is no loss of flavor. If the chocolate is melted for cooking purposes, it will turn brown again.

To prevent chocolate from turning white, store it in a reasonably cool place (under 75°).

### COOKING FOR TWO

Just married and still working? Then you're looking for ways to prepare quick and tasty meals.

Ready-mixed, precooked and frozen "convenience" foods can be a big help and many of these foods are coming on the market all the time. Several offer special advantages for the newly married couple—such as divided and small-size cartons and packages that you need for a meal, as much as you need for a meal, as much as you need for a meal.

There are many ways to use convenience foods in your menus. Buy large bags of frozen vegetables. Then, pour just the amount you need into boiling water. The rest of the package goes back in the freezer for another day—and you have no leftovers.

Several other foods, like frozen fish steaks and sticks, come in divided packages. Use the top layer one day; save the rest for later.

Some cake mixes come in small packages holding just enough for a single layer cake. At least one brand of muffin mix is already divided into portions for two bakings. You can also bake a single loaf of bread from one box of hot roll mix.

Making a cobble or tart is quick work when you combine prepared biscuit or pie crust mix with fruits, berries, or a filling from a pudding or mix cereal, fruit desserts and mixed fruit cups are other convenience food favorites that you can combine for new dishes.

Applesauce is a handy item that fits into almost any meal. You can spice it with a little powdered cinnamon or clove and serve it with the meat course. Or make it into a dessert by adding orange slices, cherries, or crushed pineapple.

Pudding mixes, too, can be blended with any of several groups of fresh, frozen or canned fruits, ice cream, or chopped nuts.

For the homemaker with limited storage space, convenience foods offer an added bonus. They require but little space on the cupboard shelf in the freezer. If you did keep large quantities of "makings" on hand, some of them might grow stale before you could use them.

**TAKING TIME FOR BREAKFAST**  
Going traveling this summer? Don't do it on an empty stomach. Start each day with a good breakfast. If you like to get on the road early, pack your breakfast the night before and eat it along the way—when you want to.

Take dry cereals for out-of-the-box eating, or have about sandwiches for breakfast. Of eggs, meat, cheese, or peanut butter. Any of these will provide the protein you need at breakfast.

## Project 'Head Start' in GC Has 115 Youngsters Enrolled

Project Head Start begins its first full week of operation today with 115 children enrolled at six Granite City centers and one in Venice. Classes are being conducted from 9 a.m. to noon daily in the seven-week pre-kindergarten preparation program, which is designed to supplement the general all-around knowledge of five-year-olds and provide an improved basis for those starting kindergarten for the first time next fall.

Raymond T. Jones, Granite City program director, said today that a letter has been sent to Mrs. Lyndon B. Johnson inviting her to visit the local program, and observe the warm reception it has received.

The letter to the first lady goes on to describe the donation of a bus by the Granite City Association for Aid to Retarded Children for young pupils who require transportation and the willingness of local school organizations and civic clubs which have contributed time and service to the project.

Jones reported that plans are under way to give a pre-school inventory manual to each child enrolled in the program. He added the inventory is not an intelligence test, but is arranged in game form to find out whether the child has acquired certain basic skills that are ordinarily observable in youngsters by the time they are five or six years old.

The items in the inventory represent a sample of some familiar types of material that are often included in a kindergarten curriculum. Jones said, and will assist the teacher in determining which areas the child is in need of additional help. Results on a nationwide scale may provide the necessary data to continue the program if continued next year, the administrator added.

Volunteers of all ages levels still are being sought to assist in the local program, Jones said, and may be recent high school graduates, college students or older persons. Other volunteers with clerical and nursing skills also are needed, he reports.

## 13 GC Building Permits Total \$18,130 in Value

Thirteen building permits were issued in Granite City during the first week of July, listing values of \$18,130.

A permit was obtained by Norman Gardner, 2770 Madison avenue, for a four-room and bath addition, \$10,900; and Raymond Smith, 2908 Myrtle avenue, plans to build a garage at a cost of \$700. Granite City Glass Co., 1746 Edison avenue, will replace a sign at a cost of \$280.

Permits for remodeling and repairs were issued to George Pinion, 2425 Missouri avenue, aluminum siding, \$1,000; Mary Weisel, 3112 Wayne avenue, aluminum siding, \$1,100; Samuel Shackelford, 2914 Palmer avenue, remodeled steps over garage, \$200; William Harrison, 739 Twenty-seventh place, porch repairs, \$200; Edward Bard, 2912 National avenue, patio slab, \$200.

Ralph Haldeman, 4008 Melrose avenue, general repairs to basement wall and siding, \$150; Charles Gaddy, 2016 Fourteenth street, general repairs to garage, \$200; Leonard Guth, 2811 East 25th street, general repairs to porch and siding, \$1,100; Pete Domatovich, 2201 Hodges avenue, general repairs to garage, \$200; and Frances Hecht, 2515 State street, general repairs to siding and trim, \$1,800.

Another permit was issued to Steve D. Seneff, 927 Niedringhaus avenue, to raise a storage shed, \$100.

Pastor ALLEN RANDOLPH

**42 YEARS OF POSTAL SERVICE** by Harry R. Johnson (right), retired Madison postmaster, were recognized in this ceremony in front of the Madison post office. Harlo G. Benner, postal service officer, presented a certificate of commendation from Postmaster General Gronowski.

### Two GC Youths Enlist In U. S. Air Force

Roger W. Holson, son of Mr. and Mrs. R. G. Holson, 2921 Wayne avenue, and Conley Howell, son of Mrs. Myrtle Howell, 2129 Washington avenue, enlisted in the U. S. Air Force Thursday.

They will receive basic training at Lackland Air Force Base, San Antonio, Texas. Both are 1962 graduates of Granite City high school.

**Anemic**  
A man is blue because the high cost of living bleeds him white and keeps him in the red.

### Johnson Commended on 42-Year Postal Service

A certificate was presented Thursday afternoon to Harry R. Johnson, retired Madison postmaster, from the U. S. Postmaster General by Harlo G. Benner, East St. Louis, postal service officer for the regional office at Chicago. Johnson retired this year after 42 years of service.

The certificate was presented to Johnson "for devotion to duty in the course of an honorable career in the U. S. postal service." It conveyed the official commendation of the postmaster general, John A. Gronowski.

Also received by Johnson was a personal letter from the postmaster general and a letter from the regional director of post offices, Donald Swanson of Chicago.

Tuberculosis is caused by a germ—the Tubercle Bacillus. No one ever develops tuberculosis unless the germ of the disease enters his body. It is a slow disease and may take years to develop.

### K. of C.'s to Hold Dinner Dance Saturday

Plans for a dinner-dance to be held Saturday evening by Tri-City Knights of Columbus Council 1098 were advanced at a council meeting Thursday night.

Steve Sallich, president of the Columbus Home Association in charge of the event, asked that reservations, at \$3 per couple, be made by tonight.

A final report was presented by Donald Stanton, blood bank chairman for the past three years, showing that members contributed about 70 pints of blood during his tenure. He was given a standing vote of thanks for his efforts. A successor is to be named.

It was proposed that the council's next \$100 contribution to the Shrine of Our Lady of the Snows be made as a memorial to the late Joseph DeRuntz, who had fostered the purposes of the shrine in the organization.

Remarks were presented by Rev. Lawrence Mattingly, council chaplain and pastor of St. Elizabeth's Church, and by Rev. Michael Skordinsky, pastor of St. Mary's Greek Catholic Church in Madison.

John Kazman, new grand knight, conducted his first meeting as the council began its new fiscal year. Refreshments were served.

### 14 Inducted Under Madison July Quota

Fourteen young men, all but one from the Quad-City area, left the County Selective Service headquarters at Edwardsville Friday for induction into the Armed Forces at St. Louis and assignment to camps for training. An original quota of 20 youths had been called but induction of one draftee was postponed and five others were cancelled.

One of the 14 inductees, Ralph W. Skaggs Jr., of Granite City, volunteered for service. The other draftees, six from Granite City, four from Madison, two from Venice and one from Troy, were:

John W. Wobly, William Laycock, Billy L. Somers, James E. Ridings, James J. Ebersoldt and Paul J. Batson, all of Granite City; Nick Pavlov, William J. Snowden, Larry A. Woodard and William L. Bartley Jr., all of Madison; Eugene Brown and James W. Ebersoldt of Venice; and William O. Eaker Jr. of Troy.

**Directors to Meet**  
The board of directors of the Tri-City Chapter, American Red Cross, will hold its monthly executive meeting at 4 p.m. tomorrow, in the board room of the First Granite City National Bank. It is announced today by Gerald G. Walters, chapter chairman.

# 11 Hurt in Local Traffic; 3 Multiple-Injury Crashes

Traffic accidents totaled an even dozen in the Quad-City area during the weekend. In six of them, 11 persons were injured. Both drivers were injured in a collision of northbound autos in front of 1342 Edwardville road at 11:55 p.m. Saturday. There was damage to the rear of the car of Robert C. Roberts, 26, of 717 Twenty-sixth street, and the front of the auto of Thomas C. Carpenter, 30, of 58 Cambridge drive. Treatment was given at St. Elizabeth Hospital.

Roberts said he had halted behind another car which was waiting to make a left turn.

Carpenter was arrested for leaving the scene of an accident involving damage to an attended vehicle. His hearing was set for July 27.

Roberts suffered neck, right shoulder, and right hip injuries, while Carpenter had a head laceration.

## Auto Skids on Its Top

Three passengers in the auto of Frank Duquesne, 36, East St. Louis were hurt but he escaped apparent injury at 4 p.m. Saturday when the car overturned on Route 111.

Mrs. Evelyn Domytro, 30, East St. Louis, suffered facial abrasions, nose swelling, left shoulder bruises, multiple abrasions to the legs and knees and large lacerations to both ankles.

Also treated at St. Elizabeth Hospital and transferred to St. Mary's Hospital, East St. Louis, were Ivan Ryerson, 30, East St. Louis, and his wife, Gloria, 30.

Driving a 1954 auto north on Route 111, Duquesne told state police he lost control of his car while swerving to avoid an auto which was moving into his path from Sand Prairie lane. The Duquesne vehicle rolled over, skidded along on its top and came to rest in the southbound lane partly off the pavement.

## Three Persons Hurt

V. G. Wilson, 34, of 1835

## Howard Johnston, 46, Former Resident, Dies

Howard Daniel Johnston, 46, Wayside Estates, Bethalto, a former Granite City resident, was pronounced dead on arrival at Wood River Township Hospital at 4 a.m. yesterday after suffering an apparent heart attack at his home. An inquest is pending.

Born in Herculaneum, Mo., Johnston had resided in Bethalto for two years and was owner of the Western Auto Store there. He predeceased his wife, Mrs. Hazel Johnston, who died in Granite City for more than ten years.

A war veteran and holder of the Purple Heart medal, Mr. Johnston spent five years as a prisoner of the Japanese after being captured as a Corporal. He was a member of the Zion Lutheran Church, Bethalto, and American Legion Post 204.

He is survived by his wife, Mrs. Geraldine Johnston; two sons, Robert Howard and Thomas Curtis Johnston, both of Bethalto, and four sisters, Mrs. Hazel Beasley, Granite City, Mrs. Thelma Werner, Madison, Mrs. Mary Polson, Alton, and Mrs. Gertrude Fazio, Englewood, Colo.

He was preceded in death two weeks ago by his brother, Russell Johnston of Granite City, a brother, Ellis, also of Granite City, nine years ago and a sister, Mrs. Doris Trombly of Drayton Plains, Mich., in March.

Funeral arrangements are given in today's obituary column.

## Youth's Condition Good

James Goodman, 16, son of Mr. and Mrs. Howard Goodman, 2165 Robert avenue, is in good condition today in St. Elizabeth Hospital. He was injured last Wednesday when his halted motorcycle was struck by an auto on Route Three north of West Pontoon road. A passenger, Eric Archer, 17, son of Mr. and Mrs. Kenneth Archer, 2430 Grand avenue, was released Friday from the hospital.

## Fijan Still Hospitalized

Frank Fijan of the Fijan-Macrae agency, Madison, is in good condition today at DePaul Hospital, St. Louis, where he is undergoing treatment following a recent attack. He resides in St. Louis county.

## Vandal Breaks Window

## Bennett Gets

(Continued from page 1.)

given the opportunity to offer evidence in mitigation before sentence was passed, but declined to do so. The defendant contended that a pistol he had been carrying for some time was returned to Lafata at the latter's demand, and that it was used by another man to kill Lafata.

Bennett did not change his somber expression, either when he was pronounced guilty or when the sentence was stated.

Some relief may have been felt when Judge Lewis said, "The court does not feel the death penalty should be imposed. Hope is not forever destroyed."

Bennett has been behind bars since his arrest in St. Louis a few days after the murder. Most of the time has been spent in the Madison county jail.

He allegedly was involved in a recent plot to escape from the county jail, in which the plans and materials to be used were discovered by the sheriff's department.

## Seven Delays

The defendant received a total of seven continuances in a case following his indictment, more recently to obtain a new attorney.

In contrast, he was arrested within 24 hours after the shooting, following an intensive investigation by Sheriff Barney Fraundorf and his chief investigator, Louis Bowman.

Bennett's attorney touched off the wrath of Judge Lewis, who cited the defense counsel for contempt of court for failing to appear last Tuesday when the case was called to trial. Rice was fined \$25, but the fine was stayed.

However, in his present remarks, Judge Lewis said Bennett was represented by one of the best attorneys in the state, and that he had received all of the advantages of a fair trial.

During the trial, a St. Louis woman called as a witness for the prosecution was held in protective custody in the Madison county jail.

## Nameoki Road

(Continued from page 1.)

The same day, Floyd Wilson, 38, Alton, fell six feet from a roof, injuring his left elbow and cutting his forehead, and James Hayes, 35, of 301 Harrison street fell on a bottle, suffering a severe cut behind the left ear. All were treated at St. Elizabeth Hospital.

Youngsters hurt in falls Saturday were Dennis McInnis, five, 3553 Lake drive, cut on forehead and abrasions to the left hip and right knee from falling off a bicycle, and Mark Buster, three, 66 Greiner Homes, dashed and forehead cut from falling against a bed bookcase.

X-rays were taken of Kenneth Bone, 12, of 49 Shiloh drive after a saw weighing 27½ pounds fell across his chest. James Valicoff Jr., 17, of 1721 Garfield avenue suffered bruise on both knees while wrestling Saturday.

Doyle Woods, 23, of 1229 Iowa street, Madison, accidentally caught his right trousers leg on fire Saturday, suffering burns and blisters on the back of the leg. Larry Scaturro, five, 808 Third street, Venice, was treated after drinking charcoal starter.

Also treated Saturday at the hospital were William David Downs, six, Marissa, Ill., who ran through glass in a storm door and received multiple cuts on the right arm, hand and leg, and Katherine Johnson, three and a half, Robert avenue, who suffered lacerations when a dart was thrown and struck her left foot.

## Arrest Follows Crash

A charge of failing to yield the right-of-way was filed against Helen Schiller, 38, St. Louis, at 1:50 p.m. Friday after the front of her westbound car had struck the left side of the southbound auto of Lewis Glazik, 2011 Sheridan avenue, at 26th street and Grand avenue. She was released until a hearing July 22.

## Returns to Navy Base

Gerald Demery, son of Mr. and Mrs. Wallace Demery, 2919 Marshall avenue, left for duty at Brunswick Maine, after visiting his parents, relatives and friends for the past two weeks.

## Murder Clue Seen in Arkansas Robbery Case

An Arkansas bank robbery and abduction of two young women hostages ending later in the capture of the two bandits, has caused Madison county authorities to seek details which may tie the prisoners into the Hamel bank robbery last Oct. 9.

The two holdup men were captured by the bank robbery team, the same type used in the Hamel robbery. Two brothers were murdered at Hamel shortly after the bank robbery there, and the bandits are believed to have been the murderers.

The two holdup men were captured in Louisiana after fleeing across the state line with the two hostages, who were released unharmed. They were identified as Jack Gibson, 26, Shreveport, La., and Bobby Lamar Holmes, 25, Bossier City, La.

Madison county Sheriff's Chief Investigator Louis Bowman said he is obtaining detailed information on the captured bank robbers and the description of the car.

## Speeding Charge Filed

Leona M. Cartwright, 2328 Waterman avenue, was arrested at 12:05 p.m. Sunday at Edgewood avenue and Johnson road on a charge of speeding.

Friendliness Award Winner—**CHRIS SHIELDS, Checker**

## Red Cross Blood Program Award To Depot Staff

Miss Beth Sprague, director of recruitment for the Missouri Illinois Red Cross Blood Program, last week presented a certificate of appreciation to all military and civilian personnel stationed at the Granite City Army Depot for successful participation in the blood program.

Accepting the award in behalf of the Depot personnel were the Depot's three top blood donors: Sid Strobel, 2504 Hodges avenue, 44 pints; Steve Bulla, 3155 Davis avenue, 43 pints; and Sgt. Major Donald Fields, stationed at the Depot, 40 pints.

All depot employees and their immediate families benefit from the Red Cross blood mobile program, whether they are able to participate or not.

**Wallet Lost or Stolen**

Mrs. William Durant, 2320 Terminal avenue, reported at 9 p.m. Sunday that her wallet containing \$23, two credit cards and papers was either lost or stolen at about 4 p.m. Saturday at the Na-Bor-Hood liquor store, N. Main and Pershing avenue.

**St. Louis Woman Fined**

Betty Landay, 40 S. Loui, was fined \$50 plus \$3 costs Friday by Magistrate Hiscott on a charge of illegal transportation of liquor. She was arrested by a state trooper at 8:35 p.m. Thursday.

"If, in contrast, his people rely on him for advice in coverage and in time of need, automobile insurance companies should give him nothing to fear," Magnusson concluded.

"That such changes must be accepted was stressed recently by an agency's publication in commenting on insurance marketing methods.

"The American agency system will survive only so long as it proves through actual performance and service that it is the most successful and beneficial method of serving the public. Preservation of the agency system rests entirely with the agencies."

One of the major arguments for automation in any operation is the demand imposed by population growth. If the dial telephone system had not been invented, for instance, there would not now be enough women in the nation to serve as telephone operators.

**Population Explosion**

The population explosion also is making itself felt in insurance. In 1960, the United States had a population of 150 million people, or 53 million households.

By 1980, just two decades later and only 15 years from now, there will be 245 million Americans and 73 million households.

Quadrupling the population in 20 years will mean that a nation of 331 million persons and almost 100 million households.

Such calculations may sound fantastic but they are soundly based.

Another illustration is the registration of passenger autos in the U. S. In 1960 there were 61 million cars—and on a Sunday afternoon in summer it often seems like most of them are on the same highway with us.

**Autos Will Quadruple**

But by 1980 the prognosticators say this will be doubled; by the year 2000, it will be quadrupled. The prediction is that, by the turn of the century, 244 million passenger cars will be traveling U. S. streets and expressways.

At the last census in 1960, Americans were building dwelling units at a rate of one and a half million a year. It is estimated that in 15 years, the rate will be 2,500,000 a year; by 2000, an average of 4,200,000 housing units will be added annually.

The growth of the country, both in people and in their possessions, creates an almost unlimited horizon and unbounded future. It is a natural corollary that insurance will expand.

If the agency marketing system is to perpetuate itself, it also will need to expand along with the needs of the growing population. There will be more and more larger agencies. And there will be no lessening of the demand for competent insurance men and women capable of meeting new challenges.

**Rapid Change Not Unusual**

While current changes necessitating automation are major in scope, change is not a new development.

Students of the insurance business recognize that it has gone through many cycles of black and red ink—with respect to both company profits and loss ratios on certain classes of coverage. This has always been true of policies affording broad, multi-peril protection.

Are there other ways of streamlining insurance processing costs, other than eliminating "nuisance losses" from policies or automating the administrative procedures followed in processing them? Few other genuine economies come to mind.

**Retain Adjusters**

Some companies have experimented with eliminating the "middle man"—the adjuster. But Magnusson sums up a widespread viewpoint with this comment: "Every loss should be inspected by a competent person."

"The have-it-fixed-and-send-us-

## Decision Due

Logan grade school annex and Emerson, Marshall, McKinley, Mitchell, Nameoki, Niedringhaus, Stallings, Washington and Webster grade schools.

Only schools that will not have to be surveyed and remodeled are Coolidge and Prather Junior high schools and new Logan, Prohardt, Lake, Maryville and Wilson elementary schools. Buildings currently being added have been designed to meet the state code.

**Cafeteria Area Renovation**

Also requiring expenditure of school funds will be the present high school cafeteria area. It may cost \$200,000 to renovate the space for classroom use.

The addition currently under construction is to include a new and larger cafeteria and seven classrooms.

The board on June 30 trimmed \$84,000 from GCHS base bids, through specification changes and deletions, and may make further cuts tonight to cope with a remaining "dollar gap" of \$35,000.

A third potential alternative to supplemental funds or negotiations with bidders is rejection of the bids, with architects instructed to revise the plans to meet budget limitations.

The bond proposals did not describe the type of school facilities in detail or give their size, but school officials have definite ideas about the type of facilities that would meet enrollment and educational needs. They are trying to avoid plan revisions that would be structurally or functionally unsound.

**Mobile Rooms, Appointments**

Other business scheduled to include the board tonight is the new Parkway grade school, doctor appointments for cafeteria employee physical examinations, action on proposed mobile classrooms and sale of school desks.

More teachers are to be hired, principal and assistant principal appointments are to be considered and bid awards are to be made on science supplies, vending machines, a cafeteria sink, dry cleaning, fluorescent lights, school wash, a water heater and construction materials.

## Taxi Passenger Sues Cab Firm for \$25,000

Evelyn Rose Robertson of Venice has filed suit for \$25,000 plus costs against Quad-City and Modern Cab Co., Granite City, and James Ray Harrington, cab driver, in Madison county circuit court.

The complaint alleges that she was a paying passenger in the taxi on Nov. 24, 1964, when the cab struck the rear of a parked car in the 1200 block of Market Street, Venice. She claims permanent and severe injuries and charges negligence on the part of the driver.

**Auto Avoiding Others Strikes Utility Pole**

Marcel D. Williams, 46, of 2201 Cardinal avenue escaped injury at 1:45 p.m. Friday when his westbound auto left Terminal avenue in the 2600 block and slightly damaged an Illinois Power Co. pole.

The left front fender of the car was damaged. He said he was trying to avoid contact with an auto which passed him while his car was approaching from the other direction.

**Van Hits Parked Auto**

A cleaning company van driven east in the 3000 block of Washington avenue at 3 p.m. Friday by Charles Stern, 16, of 2901 Washington avenue, Madison, collided with the left front fender of the parked auto of Robert Clinard, 3233 Davis avenue.

mobile classrooms and sale of school desks.

More teachers are to be hired, principal and assistant principal appointments are to be considered and bid awards are to be made on science supplies, vending machines, a cafeteria sink, dry cleaning, fluorescent lights, school wash, a water heater and construction materials.

TRAFFIC DEATHS DOWN

June traffic deaths in Illinois totaled 168, according to provisional reports released by the Division of Highways and the State Highway Police.

This is a reduction of 3% from the 174 deaths in the same month last year.

The death toll for the first six months, which now stands at 959, represents a decrease of one from the 960 for the same period last year.

TEAL HUNTERS NEED SPECIAL PERMIT

Hunting will be permitted on all state-owned areas managed for duck hunting during the early fall season, the Illinois Department of Conservation has announced.

The two Southern Illinois areas maintained for Canada geese, Horseshoe Lake north of Cairo and Union County area, were, will be closed to teal hunting.

All federal lands along the Mississippi and the lower Illinois Rivers managed for duck hunting by the Department of Conservation under agreements with the U. S. Corps of Engineers and the U. S. Fish and Wildlife Service will be open for teal hunting.

Federal refuges will be closed. Blue-winged and green-winged teal only may be hunted in Illinois from Sept. 18 to Nov. 26, inclusive. Hunters must have a special permit in their possession when hunting teal in addition to a valid hunting license and a 1965 federal migratory waterfowl stamp.

The permit is free and is available to anyone but no application will be accepted if they are postmarked later than July 15.

The hunter's name, address and county of residence must be included in the application. The hunter has a blind on an area managed for waterfowl hunting by the Department of Conservation, he should include the name of the area and his blind number. Applications should be mailed to the Illinois Department of Conservation, Division of Game Management, 302 State Office Bldg., Springfield, Ill. 62706.

**BILLS TO END DISPUTES**  
Gov. Otto Kerner has approved House Bill 2105 and 2106, designed to end territorial conflicts among electric suppliers in Illinois.

The legislation was the result of agreements between electric suppliers following a month of negotiations initiated and led by the governor. Attending the negotiations, in addition to members of the governor's staff were representatives of investor-owned utilities and electric cooperatives created by the Rural Electrification Act.

Gov. Kerner said that Illinois is the first industrial state to meet the problem of territorial disputes with agreed legislation. Under provisions of the new law, suppliers must agree to proposed service extensions and to territories of service. It also provides that a supplier serving an area on the effective date of the act may continue to serve the area and gives electric cooperatives the right of eminent domain.

**DEER HUNTING QUOTAS FILLED IN SEVEN COUNTIES**  
William T. Lofter, director of the Illinois Department of Conservation, has announced that shotgun deer permit quotas have been reached in the following counties: Clinton, Jo Daviess, Johnson, McHenry, Monroe, Pope, north and south Stephenson.

**MERIT EXAMS TO BE HELD**  
A special series of state merit examinations has been announced by Miss Maude Myers, director of the Illinois Department of Personnel.

The examinations being offered on an open competitive basis only will be for activity program supervisor (Option 1—Illinois Children's Hospital School and Option 2—all other institutions), assistant institution fire chief, hearing and speech specialist IV, procurement representative, welfare executive II (Option 2—Department of Mental Health) and welfare executive III (Option 2—Department of Mental Health).

Interested persons with training and experience in any of these areas should apply to the Department of Personnel, 808 Centennial Building, Springfield, Ill., on or before Wednesday, July 21.

**COVERING THE GREAT OUTDOORS**

Two Youths Beaten, Robbed; House Burglar Takes \$300

Robberies and costly thefts among the weekend crimes being investigated by local and county law enforcement authorities.

John Tanfelder, 18, and Terry Beckerman, 18, both of St. Louis, were beaten and robbed by two men who accosted them as they were making a U-turn on Illinois Route 2 near a Brooklyn at 3:30 a.m. Saturday. With one man threatening them with a knife, the other drove them to a corn field at Eagle Park. They were struck about the face and robbed of a wallet, \$7, watch, school ring and a \$65 McDonnell Aircraft check. The robbers then left them and drove off in the St. Louisans' car, later abandoning it in Brooklyn.

It but the check was recovered from two men arrested the same morning in the Brooklyn area, sheriff's deputies said. They are to report today for questioning, after which warrants may be issued.

**Robbed Leaving Tavern**  
James Lockhart, 27, of 249 S. Clair avenue was robbed of \$20 and a case of beer about 3 a.m. Friday as he was leaving a tavern between Granite City and Caseyville, he told the St. Clair county sheriff's staff.

He said he was attacked at the tavern parking lot by two men, who struck him on the left temple and the back of the head. He was treated at the Belleville Memorial Hospital for lacerations to the head and left eye.

A burglar took a billfold containing \$300 from the home of David Whitsett, Rural Route One, while the owner was gone between 7 p.m. and 10 p.m. Friday. Entrance was gained by prying open garage and kitchen doors.

A thief apparently reached through a kitchen window to steal a \$120 payroll check from the purse of Mrs. Leda Johnson, 1425 Madison avenue, at 4:25 a.m. Saturday. He had pried a screen off the window, and the purse was on a cabinet near the window.

**Tools Worth \$1200 Stolen**  
Two large toolboxes containing tools valued at between \$1200 and \$1500 were stolen from the tractor-trailer of Jim Hart, Allamunga, Calif., at West 25th street and Missouri avenue July 7, he reported at 9 p.m. Saturday after returning here.

Perkins, Ill. Also taken were

Mouth-to-Mouth Respiration for Infants, Small Children

If there is foreign matter visible in the child's mouth, wipe it out quickly with your fingers or a cloth wrapped around your fingers. Then, place the child on his back and use your fingers of both hands to lift the lower jaw from beneath and behind, so that it juts out. (Fig. 1) Next, place your mouth over the child's mouth and nose, making a relatively leak-proof seal, and breathe into the child, using shallow puffs of air (Fig. 2). The breathing rate should be about 20 per minute.

If you meet resistance in your blowing efforts, check the position of the jaw. If the air passages are still blocked, the child should be turned momentarily by the ankles (Fig. 3) or inverted over one arm (Fig. 4), and given several sharp pats between the shoulder blades, in the hope of dislodging obstructing material. Note: The technique described in the foregoing sections also is proper in cases where the child swallows a foreign object and is choking on it.

Tuberculosis is not inherited. Tuberculosis "runs in families" because of the close contact within the family circle. Employees of the household may be infected and it is important to make sure that those who are intimately associated with the family are free from tuberculosis.

**Coin Boxes Stolen**  
Coin boxes were pried from machines and stolen at the Tri-Mor Bowl car wash and at the D & J car wash, Nameoki road at Madison avenue, was reported Sunday night. Amounts taken were unknown.

A two-piece black dress, blue skirt and black skirt, all size 10, were stolen at 5 p.m. Friday from the parked auto of Mrs. Lucy Stucke, 1613 Clark avenue, while she was shopping at the Kroger store, Nameoki Village.

2 Sportettes Named To Twilight All-Stars

Two members of the Venice Sportettes have been named to the 16-player Girls' Twilight Softball League all-star team.

Catcher Barb Glastetter and outfielder Mickey Bayfield are the Venice selections. The all-stars meet the league-leading Louisville Rockettes at 8:30 p.m. Saturday at Caseyville. Maryville placed four on the team.

In a league game Friday night, Wood River doubled the Sportettes 4-1. Phyllis Vessels had two for the host Sportettes.

Firecracker Explodes in Girl's Mouth; Others Hurt

A 14-year-old girl who suffered lip burns and abrasions when a firecracker exploded in her mouth was included in a list of weekend emergency cases handled at St. Elizabeth Hospital Sunday. She was Vicki Settemore, 2932 Dale avenue.

Cuts from glass also figured in emergency treatment. Freddie Werner, niece, 1937 Third street, of East Madison, was treated for a second laceration to his right foot received when he stepped on a piece of glass. He received four sutures. John Weddle, three, 2328 Paul avenue received five sutures for a cut on his left foot caused by broken glass.

Wanda Birk, 31, of 4703 Kirkpatrick Homes received treatment for a laceration to her right foot, received when she stepped on a broken bottle, Calvin Penn, 29, of 2923 Cayuga avenue

was treated for three bee stings to his right cheek and right eye, which was swollen shut.

James Baumhardt, 22, of 2912 Marshall avenue was treated for a scalp injury received when he hit his head on a diving board while swimming. He received five sutures. Randy Cann, two, 2811 Pershing avenue, was treated for burns to his right hand, a received when he touched the exhaust pipe of a motorcycle.

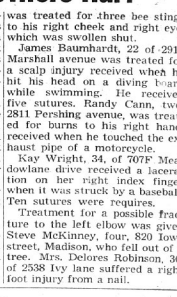

Kay Wright, 34, of 707F Meadowlark drive received a laceration on her right index finger when it was struck by a baseball. Ten sutures were required.

Treatment for a possible fracture to the left elbow was given Steve McKinney, four, 820 Iowa street, Madison, who fell out of a tree. Mrs. Delores Robinson, 30, of 2538 Ivy lane suffered a right foot injury from a nail.

**Moran Still Critical**  
William Moran, 17, son of Appellate Judge and Mrs. George Moran, remains in critical condition in Weal Memorial Hospital, St. Louis today. He was injured June 14 in an auto accident and has been unconscious since that time.

**Headlight Charge**  
Charles W. Milne, 21, of 2047 Washington avenue was charged by Granite City police Sunday with driving an auto having only one headlight. He was released on bond.

## Whether Levee Board Accepts Sound Advice Directly Affects Taxpayers

Ebersoldt told his fellow board members that "when you give business to one firm if another is willing to do it cheaper, people find out about it and lose trust in you. People should be fully informed of what we are doing and what we intend to do. We should carry on our business so people will support us," he said, adding that the board "in the past has taken a belligerent attitude on public issues."

A sincere change in attitude and procedures could substantially alter the public's opinion of the district, despite the doubt expressed by some levee officials. The reason past efforts toward an improved image failed is that they were surface moves only.

Let the facts speak for themselves: The levee district still does not have trustee election rules to guard against domination by the East St. Louis city hall machine and to guarantee local representation. It still in most cases does not seek competitive bidding and accept the lowest and best

Quads. It still seeks to perpetrate legal larceny on Quad-City and East St. Louis taxpayers by attempting to quietly slip through outrageous spending proposals in the closing days of state legislative sessions. It still wants to keep district residents less than fully informed of its actions and plans, thus

The public can be trusted in the long run to

make an accurate evaluation of officials and their performance. If true reform takes place in the levee district after so many years of abuses, it will be obvious to all. But it has not yet occurred.

Miracle of each new generation is how it manages to survive the advice of the preceding generation.

---

## A New And Happy Cliche

Newspapers try to avoid overworking any one particular word, aware that variety is part of the spice of good writing.

But the Press-Record is having difficulty avoiding frequent use of the word "record," even though it occasionally substitutes "new high."

The last issue was a good example. Freight tonnage through the Chain of Rocks canal and locks set an all-time record in June. So did vehicular traffic over the McKinley Bridge. Purchasing in the Quad-City area showed the largest volume

But reports like these constitute such happy news—reflecting current prosperity and probable further expansion of the Quad-City area economy—that we are willing to break the journalistic rule about repetition. New records? We're ready and

If thinking had to precede all talking, the human race might have to develop new forms of exercise for the tongue.

## Youngsters 8 Through 14

### 'Y' to Provide Bus Service

## For Mitchell Swim Class

to take advantage of swimming classes will be offered by the YMCA starting next week. David Walker of the YMCA youth department said the use of the YMCA Senior Citizens' bus will mark an attempt to

The Mitchell grade school will be used as the base of arrival and departure for the bus. Walk-

er said, adding that the six-week swim course is open to any youngster, 8 through 14 years of age. It will begin next Monday, July 19, and will continue the following five Mondays.

**Jaycees Advance Plans for Annual**

## Homecoming in GC

Helicopter rides, midway attractions and concession stands, operated by local church and service groups, will highlight the revelry.

The celebration, which will start Friday, July 23 and continue through Sunday, July 25, will be held in the rear parking lot of Niagara Mills.

Local organizations and booths they will sponsor, include: Tri-City Shriners Club—fish stand, Friday, and barbecue and chicks; and a well-known St. Louis three-day festival will include performances by the Cheboard Square Dance group, Eagleaires Kitchen Band, Brown and Norman Ford the Ozark Mountain Trio, a man band, and a special appearance by a well-known St. Louis band.

on dinners, Saturday and Sunday; Quad-City Marine Corps League—crazy ball; Steel Mill Hot Rod Club—dunking stand; Granite City Junior Service Club—huckley-buck; Roca Club—ring pitch; Central Christian Church—bible quiz.

Phl Tau Omega Sorority—soda stand; Jayceettes—dish pitch; and GC Jaycees—helicopter rides at \$3.50 per person and

**Fourth Floor or Additions?**

### Solution Sought for Bursting Seams at Courthouse

Possibilities of providing and financing additional courthouse office space and replacement of the outmoded county jail were discussed at a joint meeting in City, Mo. The Libberts returned home late Wednesday.

**ESTHER CIRCLE MEETS**

The Esther Circle of Second Baptist Church met Thursday for a monthly meeting.

Mrs. Cor Miller gave opening prayer, and Mrs. Mianeva Coffman gave the devotion. Miss Irene Broadway gave special prayer.

Eight members did community mission work for the current month. Mrs. Retta Favier gave the study book, "Go Home and Tell," and Mrs. Alice Hoffman offered singing prayer.

The next meeting will be with Mrs. Favier, 6 Nassau.

**DAV AUXILIARY TO ENTERTAIN PATIENTS**

The DAV Auxiliary met Wednesday evening, with Commander Irene Niehaus in charge. Mrs. Dorothy Best, chaplain, gave opening and closing prayer.

Mrs. Wilma Durich served as adjutant pro-tem. Plans were made to entertain patients at the Jefferson Barracks Hospital this evening with a band and entertainers.

Mrs. Madeline Bertha Kleiber, Lois Harp and Louise Schieff received reports on the state convention.

**SISTERHOOD MEETING**

The Sisterhood of Dewey Avenue Methodist Church met Friday evening. The meeting opened with group singing of the theme song, "In the Garden," accompanied at the piano by Mrs. Paul Golden.

Mrs. Lottie Spikes gave the devotion, "In God We Trust." Closing prayer was given by Mrs. Edith Rhodes.

Hostesses for the evening, Mesdames Merle Akeman, Noble Mercer, Julia Hill and Florence Heilbach, served refreshments to Mesdames Ruby Redman, Mary Davis, Wilma Ambury, Gladys Potillo, Virginia Miller, Leoda Durbin, Molly Kahler, Minnie King, Barbara Billerey and daughter, Betty, Zetta Hornbuckle, Minnie Rowley, F. C. SanSoucie, Geneva Grundon, Mayme Waggoner, Beulah Sparks, Edna DaFruin, Akeman and sons, Cordell and Steven, Mary Bunn, Edith Rhodes, Pat Golden and Lottie Squires.

**RETURN TO KENTUCKY**

Mr. and Mrs. Shelby Whitmer and children, Doris, Jerry and Ricky, of Drakeboro, Ky., returned home Thursday after spending part of their vacation with Mrs. Whitmer's relatives in Madison and Granite City.

They had also been to Chicago for a visit with Mrs. Whitmer's brother and sister-in-law, Mr. and Mrs. Bill Pogue and daughters, Charlotte and Susie, and Whitmer's parents, Mr. and Mrs. Les Whitmer of Louisville, Ky., and others. They toured West Virginia, Virginia and Washington, D. C., and visited the John F. Kennedy grave.

While here, they stayed with Mrs. Whitmer's mother, Mrs. Beatrice Pogue and daughter, Diane, and visited with her brothers and sisters and their families.

**SIXTH BIRTHDAY**

Teresa Pogue, daughter of Mr. and Mrs. Robert Pogue, 4720 Namoli road, celebrated her second birthday at home Saturday with cake, ice cream and soda with her parents and brothers and sister, Wayne, Kenny and Brenda.

**Mr. and Mrs. Glen Love and daughter, Beverly, and son, Don, of Edwardsville road were guest Wednesday night at a barbecue supper at the home of Mr. and Mrs. Marvin Gramlich and son, Jerry, 3308 Black lane.**

## The Harpe Brothers

John W. Allen  
Southern Illinois University

An account of the legendary figures connected with earlier Harpin county could go to great lengths, perhaps too great. Any account, however, should include mention of the brothers Micajah and Wiley, often referred to as "Big" and "Little" Harpe, who are among the most notorious killers that America has produced.

The brothers came out of North Carolina about 1798, there they had operated a band of renegade Creek and Cherokee Indians whom they surprised in brutality and torture.

The brothers always went about fully armed. Their dress was untanned animal skins, and they generally went bareheaded. Both men had curly hair, that of Little Harpe was dark red. They looked and were savage.

**Showered Mercy Once**

In the known records of their crimes, there is only one instance in which it is known that they showed any mercy to a victim. This one they decided was a preacher and released him. There is no record of their having spared another.

After leaving North Carolina, the brothers went to Knoxville, Tenn., where Little Harpe married Sally Rice, daughter of a local minister. While living near Knoxville, they were accused of stealing and butchering much livestock, and of selling the meat to merchants in the town. Also, they were arrested as horse thieves but managed to escape.

Their first known murder victim was a man named Johnson, slain near Knoxville in 1798. To hide their crime, Johnson's body was slit, filled with stones, and dumped into a stream. This fea-

ture they used repeatedly. This began one of the most ruthless and brutal careers of murder known in America.

Leaving Knoxville, the Harpes went to Cumberland Gap where they were joined by their women. Within a few days, they killed a peddler named Peyton, followed in quick succession by the murder of one man named Pack and another named Bates. The clothing of the latter two murdered men was taken and worn by the Harpes.

The Harpes shortly arrived, apparently hungry and in distress, at a tavern where a man named Langford had stopped. Langford felt sorry for them and bought them meat. One brother gave Langford a bottle of whiskey, and a little later together, the next day travelers found the body of Langford beside the trail with evidence of a terrific struggle. The Harpes were arrested and confined in the jail at Danville, Ky. They broke jail, evaded a posse formed to lynch them, and fled.

Their next known murders were those of a man named Andrew near Edmonson and another named Stump near Bowling Green. Then, they went to Henderson, Ky., and from there to Diamond Island about seventy-five miles above Cave-in-Rock.

**Killings at Cave-in-Rock**

They next passed down the Ohio River toward Cave-in-Rock and paused long enough to kill some people at a camp fire near the mouth of the Saline River. A short time later, three women and three children were killed. Harpe-style near Cave-in-Rock. This was in 1799. At the cave they pushed two lovers, ashore from a boat, off a bluff near the Cave. Falling on the sandy shore, the lovers survived.

**FOR HOME OWNER'S INSURANCE AND AUTO INSURANCE SEE MORRIS REALTY CO.**  
1907 Edison Ave. TR 6-4400

Upon returning to the Cave the Harpes told of their exploits apparently expecting to go on practice. Indeed, they were considered brutish beyond tolerance and shunned. Next they took a man from a passing boat, stripped him naked and tied him up a blinded horse which was lashed until it ran over a cliff and fell on the rocks a hundred feet below. Both horse and rider were killed. This was altogether too much for others gathered about the cave. The Harpes, with their three women and three children were forced to leave.

**At Least 25 Victims**

Upon leaving the Cave vicinity they returned to Knoxville and continued to rob and murder. We shall leave off telling about their added killings. The number of victims is not definitely known. Acceptable proof of more than 25 has been found. There have been a score of others down in the particular manner of the Harpes. They definitely are among America's most brutal recorded slayers.

Big and Little Harpe each eventually met fates considered befitting their crimes. For the murder of a Mrs. Stegall, a Mrs. Love and Mrs. Stegall's infant, they were pursued by a posse of seven men. Big Harpe was wounded by a rifle shot from one of his pursuers, fell from his horse but Little Harpe escaped. Big Harpe's head was severed by Mr. Stegall, husband of the murdered woman. The body was left where Harpe had been killed. His head was carried to a spot on the shore of the river, placed in the forks of a tree where it blazed for many years. Even yet, the place where the skull lodged is occasionally referred to as "Harpe's Head."

Little Harpe was captured some years later, tried and convicted of having had part in the murder of Samuel Massin, founder of Cave-in-Rock's first organized outlaw band. He was hanged beside the Natchez Trace in Mississippi. After hanging, his head was severed and left atop a pole beside the trail for years. Thus ended the Harpes.

This should be enough of crime stories to satisfy anyone.

## Farm Column

By Truman M. May  
Madison County Farm Advisor

**James Chief Talk Topic**

Whenever farmers talk with each other these days the chief topic is the weather, with so much variation between communities in the amount of rainfall and the effects on the growing crops. Most of the county is about up to normal now in rain for the calendar year, although the southwest corner of the county has been much below other areas.

Wheat combining was stopped recently with only about half the county crop harvested. Some of the standing grain is badly lodged and tangled and the grain will be lost in low places where water stood. In some fields the weeds are higher than the wheat. Some corn plants are down or leaning from the heavy rain and strong winds, but most of the crop should be very well straightened up. Some corn and soybeans were completely drowned in low areas.

The subsoil is now fairly well supplied with moisture in most corn and soybean fields. If July should be hot and dry, this moisture will be used up soon but it will assist from the weatherman. The crops should do very well. Research has made fully of the young groundhogs abundant in the county. The old ones have the old ones for new ones. After they leave the old ones, they are much harder to control.

**Gas Cartridges Now**

Gas cartridges for the control of groundhogs should not be used now. Used in a few months they destroy other burrowing animals. It is about this time that the young groundhogs are abundant in the county. The old ones have the old ones for new ones. After they leave the old ones, they are much harder to control.

Farmers report good success with the gas cartridges. These same cartridges will probably be handled in the county next year. Farmers will be encouraged to follow up on the work that they have accomplished this year in the control of the over-abundant groundhogs.

More than 10,000 cartridges were obtained from the farm advisor's office and used by about 400 farmers and landowners in the county.

Farmers must adhere to the state recommendations on the use of the cartridges may be taken off the market. If a large number of cartridges take place this year, it is for future use of this successful method that we follow the law.

**Wheat Yields**

Three soft wheat varieties averaged 42 bushels per acre compared to a 58 bushel average of four hard wheats in the variety test grown by Vernon Kellor of Edwardsburg township. Highest yield was Knox 62 at the rate of 46 bushels per acre. Monon made 63.2 bu. and Vermillion 57.2 bu. Reed, another soft wheat, was badly winter-killed, making only 24 bushels, which was not used in the average.

Highest-yielding hard wheat was Gage 61.2 bushels, followed by Triumph 58.8, Ottawa 58, and Fawcett 55.2 bushels.

Harvesting of the plot at Bergman-Taylor Seeds, St. Jacob, was delayed by the rains and the results will be announced later.

**Committee Vote Rounder**

Agricultural Stabilization and Conservation Service community committee elections will be held by mailed ballots this year. Ballots are to be postmarked or returned to the county ASCS office by July 25.

In past years the elections were held at meetings. The reason for the change in the election procedure is to encourage greater voter participation and to save voters the expense of time and travel.

Voters may choose five candidates. Nominees in each township receiving the greatest number of votes will become the community committee member, and first and second alternates.

All three members of the community committee will be delegates to the county convention which will be held July 30. This differs from previous county committee elections where only the community committee chairman was delegated to attend the convention.

**Weed Controls**

Wild garlic and onions, Johnson grass and other noxious weeds are found on roadsides in

abundance at these later periods, average yields by 25 and 30 bushels respectively. Research shows that additional rain during other periods of the year in development apparently doesn't directly affect yields.

Contrary to popular opinion, farmers can do something to get the right weather at the early enough to make sure that rains are past the critical stages when the odds for moisture are lowest. In central Illinois, this time is usually during the last two weeks of July.

Early planting means getting the crop in as soon as possible after the soil has warmed to 55 degrees. Adequate weed and insect control plus early planting of long-term — full-season — varieties increases the likelihood of above-average yields.

Temperature and moisture usually go hand in hand. Favorable moisture and warm temperatures increase yields. But moisture shortages, coupled with higher-than-average temperatures, mean lighter crops. Cooler corn gets 20 inches tall, cooler soybeans get 18 inches tall, and the rice is the rice for bumper crops.

**Don't Use Groundhog Gas Cartridges Now**

Gas cartridges for the control of groundhogs should not be used now. Used in a few months they destroy other burrowing animals. It is about this time that the young groundhogs are abundant in the county. The old ones have the old ones for new ones. After they leave the old ones, they are much harder to control.

Farmers report good success with the gas cartridges. These same cartridges will probably be handled in the county next year. Farmers will be encouraged to follow up on the work that they have accomplished this year in the control of the over-abundant groundhogs.

## Friends of Historical Museum Is Organized

Formal organization of volunteers at the Madison County Historical Museum into a county-wide group to be known as Friends of the Museum was announced today.

Mrs. Charles Kohl of Granite City will serve as secretary, while the group selected Mrs. William E. Delicate of Edwardsburg and Mrs. Harry Mittleman of East Alton as co-chairmen.

Purpose of the organization is to provide assistance to the museum in the form of guide work, clerical help, cataloging, special exhibits and projects and help in fund-raising. It was formed at the request of the board of directors of the historical society.

Sixty-eight women are enrolled in the Friends, and any interested men or women wishing to volunteer their help to the museum may contact any member of the executive board of the museum staff. There are no dues or special membership requirements.

The need for help was borne out strongly in May when more than 1000 visitors from schools across the county scheduled special tours. Since opening of the 40-year-old museum in its new home eight months ago, 5882 individuals have visited it.

**Trooper Arrests Woman**

Betty Lindsay, 40, of St. Louis, is arrested by a state trooper at 8:55 p.m. Thursday on a charge of illegal transportation of liquor.

**Speeding Charge Filed**

Ronald G. Hull, 2405 Rock road, was arrested at 10 a.m. Friday at 2400 Iowa street on a speeding charge. He was summoned for a hearing July 20.

almost all communities. Such weeds spread into adjoining fields and cause farmers real losses. These weeds must be controlled according to state law. Public officials have a responsibility to comply with the law and see that weeds are destroyed and do not produce seed.

## Summertime Mishaps Hospitalize Children

Two four-year-old youngsters were admitted Friday to St. Elizabeth Hospital with injuries suffered in separate mishaps.

They were Philip Fuller, son of Mr. and Mrs. Robert Fuller, 2118 Washington avenue, who incurred a deep laceration and swelling of his left foot and ankle and abrasions to his right thigh and upper lip when he caught his left foot in a bicycle wheel and fell; and Bobby Cardwell, son of Mr. and Mrs. Kenneth Cardwell, 2303 Edgewood drive, who suffered a fractured left wrist in a fall from a swing set.

Others given emergency treatment and released Friday were Mark Sobolewski, eight, son of Bernard Sobolewski, 2420 Adams street, who had a small rock removed from his cheek; It had become imbedded there where he fell from the back porch; Sharon Gray, 20 months, daughter of Mr. and Mrs. Thomas Gray, 2157 Robert avenue, who fell, striking her left ear on a coffee table; and Cynthia Jones, seven, who cut the back of her head in a fall at home.

## Travis Gets 6 Months, Four Given Probation

Melvin Travis of Granite City was sentenced to six months on the state prison farm at Vandalia and was given five-year probation during probation hearings Friday afternoon in the court of Associate Circuit Judge Austin Lewis. Travis was charged with burglary.

Others placed on probation included Harry LeRoy "Toby" Whitman, 19, of 1712 Edison avenue, two years probation for burglary at the Knights of Columbus club last March 6; Howard D. Spinks, 20, East St. Louis, three years probation for theft of an auto owned by James Walker, Venice, Feb. 6; and Allen D. Underwood, 18, South Roxana, two years probation for burglary at the Shrenk service station, Pontoon road and Sara street, April 4.

After his arrest, Whitman had admitted a total of 13 burglaries in Granite City.

## Blackburns Announce Birth of Third Child

Army Specialist-five and Mrs. Clarence E. Blackburn of El Paso, Tex., who became the parents of their third child June 28, have selected the name of Cindy Lynn. She weighed six pounds two ounces, and was born in the William Beaumont Hospital, El Paso.

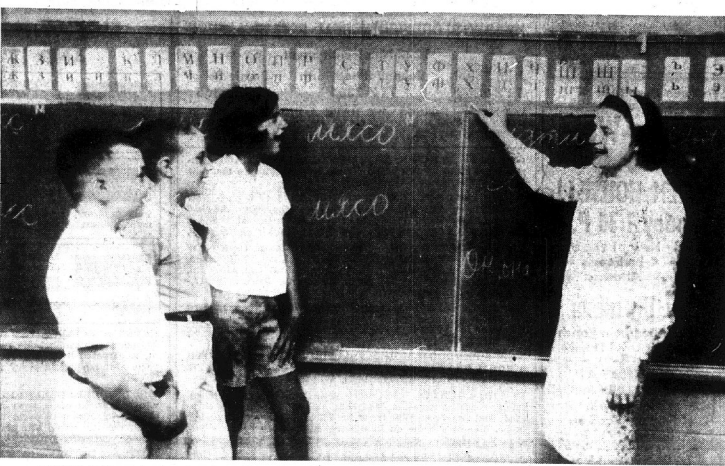

Mrs. Blackburn is the former Miss Shirley Jackson, daughter of Mr. and Mrs. Glen Jackson, 1538 Second street, Madison, and granddaughter of Mrs. D. M. Bond, 1621 Sixth street, Madison, with whom she lived for many years. The couple's other children are Kenneth Wayne, 26 months, and Lisa Janine, 13 months. The father is a cook with the 31st Engineer Battalion stationed at Fort Bliss, Paternal grandparents are Mr. and Mrs. Harvey Blackburn of Liberty, Mo.

## Man Injured in Fall

Everett Varrington, 1938 Benton street, injured in a fall in the street at 20th and Benton streets at 11:15 p.m. Friday, was taken by ambulance to St. Elizabeth Hospital for treatment of abrasions to both elbows and a cut on the back of the head.

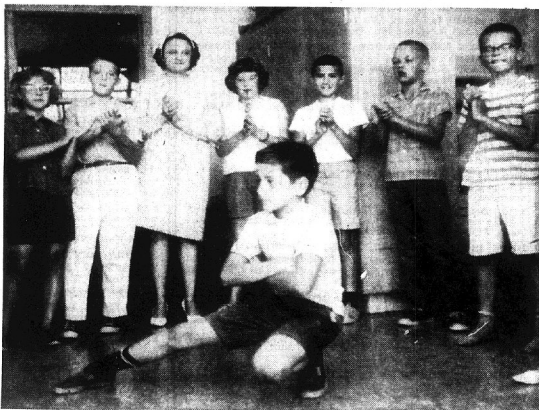

## Two Bitten by Dogs

Dog bites were suffered Saturday by Conrad Luaders, 64, of 2831 Benton street, on the right hand and Prima Noth, 13, of 40 Terrace lane, on the left hand. Both were treated at St. Elizabeth Hospital.

SOUND OFF might be the instruction Mrs. Agnes Fryntko is giving her fourth to sixth grade pupils who are finishing a seven-week course in conversational Russian. The summer sessions are being held at Frohardt school.

Left to right are—Brad Hiles, Neil Seymour, Mary Leik and Mrs. Fryntko, who are sounding out the 33-letter Russian alphabet.

COSSACK DANCER Dale Ferguson performs while his classmates and instructor Mrs. Agnes Fryntko keep time for the frantic dance by clapping their hands. Mrs. Fryntko varies the classroom sessions in the seven-week summer course to teach elementary pupils the Russian language by showing slides, playing conversation records and teaching native dances.

## Infant Drinks Insect Spray; Man Burned

Michael Sullivan Jr., 17 months old, whose parents live at 3016 Kirkpatrick Homes, was admitted for observation Thursday at St. Elizabeth Hospital after he consumed an unknown quantity of insect spray.

Given treatment in the emergency room was Gerald Whitmer, 23, of 2208 Cleveland Blvd., who suffered burns on his right arm and face when his clothing ignited while he was burning weeds.

## Madison Police Exam

An examination for prospective Madison police has been set for 7 p.m. Wednesday at the city hall.

## \$30,000 Suit Filed Over Fatal Accident

A \$30,000 suit has been filed for Miss Mary Ann Korosov of Granite City, administratrix of the estate of the late John Korosov, against Tamea Kirkhoff of Granite City in the Madison county circuit court.

The complaint alleges that last Dec. 28, while Mr. Korosov was walking across Madison avenue at 26th street, he was struck by the defendant's auto, causing fatal injuries and depriving Miss Korosov and her brother of income and services rendered by their father.

## Madison Lions Meet

Twenty-five members of the Madison Lions club attended a weekly dinner meeting Thursday evening in the Sportsman's club. Madison Club business was transacted in a brief session conducted by Walter Gavlick, president.

## Hearing on SWIU Roads

Location of proposed new roads at the Southwestern Illinois University campus will be the subject of a public hearing at 10 a.m. tomorrow in the Madison County Farm Bureau Building, 900 Hillsboro avenue, Edwardsville, conducted by the state highway division.

FOR GOOD NEWS CALL TR 7-8111

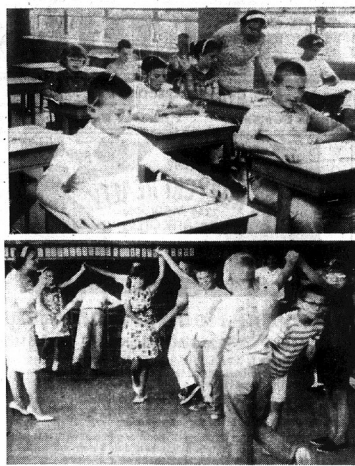

## Pontoon Beach & Stallings

MRS. MABEL KENNELLY 3833 Lake Street TR. 6-5040

## HOME FROM CALIFORNIA

Mr. and Mrs. Earl Arnold and 3838 B street, returned Thursday from a three-week vacation in California.

They visited her mother and step-father, Mr. and Mrs. Tex Munson of Upland, her sister and brother-in-law, Mr. and Mrs. Edward Hart of Chicago, her brother and sister-in-law, Mr. and Mrs. Larry Tolack of Ontario, Calif., and his sister Mrs. Wanda Rodriguez.

WORKBOOKS AND DANCES round out a full knowledge not only of the Russian language but also the country's customs. In the top photo Mrs. Fryntko is aiding the pupils with workbook assignments, while below she is directing them in the Troika "dance of horses."

## ИЗУЧАТЬ РУССКИЙ ЯЗЫК-УЛОВЬСТВО ДЛЯ УЧЕНИКОВ

(Learning Russian is Fun for Children)

A different version of the tuneless "Alphabet Song" is being sung by a group of young Granite City summer school pupils who discovered quickly this different version has an added attraction.

The 33 youngsters, who are pupils of Mrs. Agnes Fryntko at Frohardt school, encountered little difficulty in learning the 33-letter Russian alphabet under her guidance and with the usual classroom aids—charts, a record player and flash cards.

The Russian language pupils are nine-to-twelve-year-olds during the Fourth of July festivities throughout the Granite City public school system and also the local parochial schools.

"The Younger—The Better" "It's best to teach a foreign language to small youngsters," Mrs. Fryntko said. "Not only do they catch on fast, but they're not self-conscious like older students or adults who are afraid they'll be laughed at if they mispronounce a word or make a mistake."

"Actually, the children laugh at each other's mistakes and profit from them. It's just so much more fun to them," Mrs. Fryntko explained.

The class meets in Mrs. Fryntko's own first grade classroom at Frohardt school. However, large furniture has been moved in. The hours are from 9 a.m. until noon, and the seven-week course now is in its sixth week.

"We're teaching conversational Russian and grammar and speak the language as much as possible," Mrs. Fryntko explained. "I've taught the children to greet in Russian not only in the classroom but wherever we meet."

"I do all my shopping here, and often I run into the youngsters with their parents at the shopping center or downtown, and the parents are always pleased when we exchange greetings in Russian."

Fun at Festival Mrs. Fryntko said she spent considerable time at Wilson Park during the Fourth of July festivities and conversed in Russian with most of her pupils who also were there. "You should have seen the surprised looks on people's faces when they heard the children talking Russian."

Virtually every classroom technique is used to teach the conversational language course, and Mrs. Fryntko had added a few of her own.

She is teaching the youngsters Russian dance and Russian folk songs, and next week plans to show them her collection of Russian souvenirs.

"We're also using a workbook designed for older pupils, but by improvising and with supplemental material, it's working out properly."

A film strip and slides which give historical background of Russia is being shown the pupils. One portion of the film strip

shows the development of a Russian village.

Mrs. Fryntko, who has been teaching Russian to interested pupils of Frohardt school for the past two years during half-hour sessions at lunch time and after school, said she would be willing to continue with the present class if arrangements can be made. "Russian is to be taught to seventh graders at Coolidge this year," she said.

Assistance for Mrs. Fryntko is being given by others. Arthur Hernandez, principal of Lake school, has provided a tape recorder for use by the class, and Gene Briggs, principal of Mitchell school who is principal for the summer program at Frohardt school, has furnished a record player.

"Everyone is most cooperative," Mrs. Fryntko pointed out. "It's seem to realize the great need for Americans to be able to learn the Russian language."

With five weeks of the seven-week course already completed, the youngsters now are beginning to write simple stories. "The stories are about their own families or pets, and I'm also giving them quizzes—some oral, some written."

Mrs. Fryntko says she has a special treat in store for the youngsters during the final week of the class. "I've got a Russian 'Scrabble' game, and we're going to play it."

## \$15,000 Dramshop Suit Filed Against 2 Taverns

A \$15,000 dramshop suit has been filed for Nina Lee Butcher against Henry Torosian and John Varadim, doing business as the Good Neighbor Tavern, and Joe and Lottie Postor, doing business as Smilin' Joe's liquor store, in the Madison county circuit court at Edwardsville.

The complaint alleges that on July 4, 1964, she was a passenger in a car driven by Leo Matsdorf, who lost control of the vehicle and struck another driver by Charles D. Ragan on Route Three a mile south of By Pass 40. She claims Matsdorf first had become intoxicated at

## Bend Road News

MRS. EILEEN ROBINSON TR. 6-2681

A party was held Friday evening at the home of Mrs. Bert Feeler.

Those present were Mrs. Edna Jost and daughter, Dawn, Mrs. Judy Krusec and daughter, Shelley, Mrs. Stella Krusec, Mrs. Ethel Metzke, Miss Sandra Metzke, Mrs. Darlene King and son, Don Jr., Mrs. Fred Metzke, Mrs. Vera Schumacher, Mrs. Mrs. Eileen Robinson, Mrs. Diana Ragdale and Mrs. Margie Ezell.

Cake, coffee and pie were served.

## FIFTH ANNIVERSARY

A barbecue was held at the home of Mr. and Mrs. Jay Feeler Saturday.

Those present were Mr. and Mrs. Tom King and children, Kathy and Jim, and Mrs. Harvey Towney and children, Harvey and Shawn, and Mrs. Jack Jost and children, Dawn, Larry and Jackie, Mr. and Mrs. John Ragdale, Mr. and Mrs. Don King and son, Don Jr., Mr. and Mrs. Harold Ford, George Tresch and Mr. and Mrs. J. Robinson.

The fifth wedding anniversary of Mr. and Mrs. Don King was celebrated at the same party.

## Lincoln Place

MARY ANN DOMITROVICH 1627 Maple Street TR. 7-0801

Mr. and Mrs. John Bracamontes, 1746 Chestnut street, left Friday morning for Mexico along with their daughter from Chicago, Mrs. Mary Lou Bracamontes, children, Genevieve, Lupe and Frederick, for an extended vacation. They will see many relatives and friends during their stay.

Mrs. Lorraine Bennett, 2644 Edwards street, celebrated her birthday in Holland, Ill., last week with friends, Miss Julia Lotzy, Mrs. Matilda Martinez and Mrs. Sally Jensen. They motored to Holland Friday evening and returned Saturday morning. The honoree received gifts.

Mrs. Mary Ann Domitrovich, 1627 Maple street, returned home Sunday after spending three weeks at St. Elizabeth Hospital.

Mr. and Mrs. Steve Ortiz entertained with a Mexican dinner last week for guests, Mr. and Mrs. Barney "Bunny" Evanoff and their son, Stacy, of Chicago. They were here on vacation. Evanoff is a former Granite City resident.

## Mrs. Hering, Mother of GC Woman, Buried Today

Funeral services were set for 2 p.m. today in Hamel for Mrs. Meta Hering, 69, of Hamel, mother of Mrs. Donna Hummick of Granite City. She died Friday afternoon in the Villa Terrace convalescent home, Alton.

Other survivors including her husband, William H. Hering, proprietor of the Hamel Oil Co., and two sons, a brother, sister and seven grandchildren. Burial was in St. Paul's Lutheran Church Cemetery in Hamel.

She alleges that she suffered severe injuries in the collision

## BETHEL CHAPEL PENTECOSTAL CHURCH

TWENTY-FIRST AND DEWEY

REV. KENNETH BRAND, Pastor

PETITIONS WITH 1663 NAMES were filed Saturday morning with Mrs. Dorothy Nenninger, a Nameki township secretary, at the town hall. The petitions seek an election on whether the township is to issue \$1,900,000 in revenue bonds to construct sanitary sewers and sewage treatment

plants. Standing (left to right) are members of the delegation delivering the petitions, Carl Macios, Earl Pape, Willard Hicks, William Gary, Edison Phelps, who is presenting the documents, Roger Bowler and Chester Dean.

# Trees, Limbs, Large Signboard Downed by Winds

Strong winds blew down trees and limbs in various parts of the Quad-Cities during Friday's early morning rain-wind-lightning storm, and a large sign atop the Mathews auto agency at Niedringhaus and Madison avenues was blown over, damaging the roof and building facade.

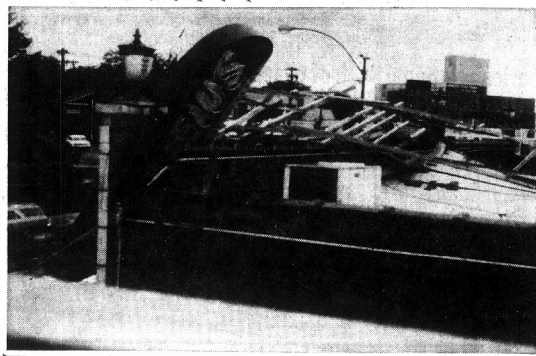

One tree damaged the roof and trunk of an auto parked at 2033 Iowa street, and a large limb blocked a street at 1821 Maple street.

The rain gauge at the Chain of Rocks canal locks measured a downpour of .35 of an inch by 7 a.m., and the rain continued for more than an hour after that.

The Granite City street department received reports of trees and limbs in driveways and streets at No. 1 Nassau drive, 2147, 2000 and 2722 Iowa street, 2523 East 23rd street, 2400 Delmar avenue and 2200 Cleveland Blvd.

Madison authorities reported one tree limb in the alley at Fifth and State streets, and Venice received four or five reports but all of the limbs were small and were in yards.

AUTO AGENCY SIGN at the top of the Mathews firm, Niedringhaus and Madison avenue, blown over by strong winds during Friday morning's rain-wind storm.

## Citizen Responsibility Outlined by Chief

The responsibility of the average citizen to assist in law enforcement was stressed by Chief of Detectives George Teller of the Granite City police department, who addressed the Granite City Optimist Club at a luncheon meeting Thursday in the YMCA.

The guest speaker was accompanied by a fellow police officer, Lt. Leo Padgett. Both men were introduced by Don Farrington, program chairman. Twenty-five members were present and the business session was conducted by Edward R. Stone, president.

Chief Teller described several incidents when onlookers had watched a crime being committed and had been unwilling to aid the victim. He also related a recent occasion when a man, who apparently suffered a heart

attack, while driving on a major Missouri highway, remained undiscovered in his car for several hours after his death.

The police officer reminded club members that citizens have an equal obligation to uphold the law and should not shirk the responsibility and duty of becoming witnesses if the situation demands.

In expressing the club's appreciation to the guest speaker, B. C. O'Neill praised the Granite City police department for its high caliber of service to the community.

At next week's meeting, Eugene C. Boy Scout field executive, will discuss the five-year expansion program being undertaken at Camp Sunnen, near Potosi, Mo. C. O'Neill is expected to describe the part civic groups can play in the expansion project.

## Mrs. Lucinda Marquis Succumbs at Hospital

Mrs. Lucinda Marquis, 78, of 2830 Nameoki road died at 8:15 a.m. Sunday at St. Elizabeth Hospital. Ill two years, she had been a patient there ten days.

Mrs. Marquis was born in Horton, Mo., and was a Quad-City area resident 44 years. Her husband, Alex, died in 1929.

She is survived by two daughters, Mrs. Edna Prewett and Mrs. Donald (Kathleen) Alvert, both of Granite City; one son, William Marquis of Venice; eight grandchildren and 12 great-grandchildren.

Funeral arrangements are given in the obituary column.

## Sales by Judge's Firm To Board He Appointed

It was disclosed late last week that the Bonnie Manufacturing Co., East Alton, sold over \$15,000 worth of supplies to the Wood River Jeeves district in 1962-64 during a period when three district commissioners were appointed of Associate Circuit Judge Michael Kinney the county judge. He is an incorporator of the wood killer and janitorial supply firm and currently is its president.

The company was organized June 14, 1963, and made the first of a series of sales to the district a week later. Kinney said no influence was exerted, and added that he assumes the purchases were made on the basis of quality and price.

## Smoke Reports in Venice

A dozen complaints about dense smoke in North Venice at 10 p.m. Saturday was received by Venice police who relayed them to a Madison industry reported to be burning scrap material.

## Auto Muffler Charge

A charge of improper auto muffler was filed by Venice police at 7:4 p.m. Saturday against Ernie Stephens, 1515a Second street, Madison.

**FREE 10 Point Check-Up for HEARING AIDS!**

**NOTHING TO BUY - NO OBLIGATION!**

No matter what make hearing aid you use, bring it into our office for a "Summer Vacation Check-Up." This service is yours FREE during this special limited offer. Let us give you this 10 POINT CHECK-UP.

1. Check battery and battery compartment.
2. Inspect case for cracks and for proper fit of plugs.
3. Clean earmold. Inspect for cracks and proper fit.
4. Inspect plastic tube for breaks or obstructions.
5. Check and clean contacts.
6. Inspect microphone and receiver for broken wires and other defects.
7. Check and clean volume control.
8. Inspect circuitry for possible defects.
9. Check for possible loose parts.
